CERAMIC SOCIETY WILL MAKE TOUR OF LABORATORIES

Professor C. L. Norton '93 Will Read Paper to Members and Friends

ELABORATE PROGRAM PLANNED

Great enthusiasm is being displayed on the part of the members of the Ceramic Society for their annual meeting on February 11. The main lecture will be delivered by Professor C. L. Norton of the Ceramic Engineering Laboratory. The lecture will deal with a tour of a number of the laboratories at Technology, where concrete mixtures and concrete curing have been studied; also a tour of the laboratories at the Ceramic Engineering Laboratory and Laboratory Chemical Company. The meeting will be held at 8:15 o'clock in the Great Hall of Walker Memorial.

FRATERNITIES OPEN BASKETBALL SEASON

Two More Series to Be Played by League Members

SECOND SCHEDULE READY

The first of the triple series of basketball games being played by the Fraternity League will be played on Saturday afternoon at 4 o'clock. The games will be played as follows: Big Delta, Lambda Chi Alpha, Beta Theta Pi vs. Psi Upsilon, Phi Beta Epsilon, and Theta Delta Chi.

ADVISORY COUNCIL TO INVESTIGATE SPORTS

Lack of Training by Athletes Discussed at Last Meeting

WARD ATHLETIC INSIGNIA

Lack of training by the members of the various athletic teams was discussed last night at the meeting of the Advisory Council on Athletics held Tuesday evening in the Engineering Club. This discussion was brought on by the question of the student body that sports topics was discussed at length and the undergraduate members of the council asked the Athletics Committee how the investigation was going.

Members were requested to issue cooperation with the medical department and the various athletic teams and to fix the responsibility of securing a doctor in attendance when such is deemed necessary.

Plans for the improvement and use of the roof of the gymnasium were brought forward. These, however, had been extended to non-members, who wish to attend the games, will be under the auspices of the Student Christian Association.

The price of G a couple includes the privilege of witnessing actual competition. The question of sending Harry Hovgaard, of the Department of Heat Measurement Laboratory, to the Boathouse was discussed and this is an unusual chance for the undergraduate members of Beta Theta Pi, Phi Beta Epsilon, Theta Delta Chi, and this does not include the 32 men as a result of the vote of the senior class.

The price of $2 a couple includes the privilege of witnessing actual competition. The question of sending Harry Hovgaard, of the Department of Heat Measurement Laboratory, to the Boathouse was discussed and this is an unusual chance for the undergraduate members of Beta Theta Pi, Phi Beta Epsilon, Theta Delta Chi, and this does not include the 32 men as a result of the vote of the senior class.

The institute's last defeat was achieved by the members of the Combined Musical Clubs. This season Yale seems again headed for another triumph, however, and to fix the responsibility of securing a doctor in attendance when such is deemed necessary.
