TECHNOLOGY TO HAVE CIRCUS IN WALKER

Affair Will Further Good-fellowship—Activities All To Take Part

PLANNED FOR END OF TERM

The date alone remains to be set for the Technology Smoker, a fitting conclusion for the GoodFellowship activities that have already been carried out on campus. The affair will stage towards the end of the present term with the purpose of establishing a wider field of good-fellowship amongst the students here at the footsteps.

The Circus, which will come as a new feature in Technology's academic line-up, will closely resemble the strange figures existing under the same name in other institutions. The present plan is to hold it in Walker, and arrangements are being put on by the various institute authorities who have between both and side walls.

All Students

The affair will not only be free to the students of the institute but the tempting offer will make it have as large an attendance as will be reasonable. A number of various sports and activities have already manifested their desire to use the project to go through, and the findings will be announced during the coming week for the edification alone prevents them from being mentioned.

Tentative lists of committees have been formed and the attendance of the permanent chairmen will be appreciated. It is hoped that there will be a sufficient number of students present to fill all the bodies will function better if each man could be responsible for the different parts of the work. The next meeting of all committees will be held at 3 o'clock today. The committees as they now stand are:

SIX BROWN BROTHERS HAVE BEEN ENGAGED BY EL DORADO

The California Club is going to raise a formal dance in the main hall at Walker Memorial, February 24. The date was chosen by the committee and the arrangements for the affair are now in progress. At 9 o'clock tonight Mr. W. Irving Bullard, vice-president of the Merchants National Bank, will be heard at Corporation XV, to be held next Wednesday night at the Medical Student Building. Mr. Bullard will be on hand to sign the check for the last year's float, which was given to the club by the students.
