BIBLE STUDY NOW

So very many crises have been raised within the last few years regarding the Bible study in Walker. One of these crises is the limited capacity and knowledge that these crises have raised have never been ac-

The Lounger must come out against the Filter Paper!

The gods know there is enough pompously, easy evil machine pol-

The Lounger heartily concurs with the E. E. and Physics department in-

Many students think that it required bravery to get out the sheet, but I think that every man mentioned was more than willing to do so.

The Lounger notes that Messrs. Woods and Bailey have deserted in the con-

The luncheon is to be a mediating event at the Press Club in Walker Hall. Dr. Myers has gained prominence as a psychologist and is a member of the Second World War Psychiatric Hospital and visiting professor of the Boston Med-ical School. His recent work on the "Foundations of Person-

Thereb by members of the club. Plans are being made for the coming Federation of Catholic
diocese and the type of men who can be called upon to do unhappily have been the result of the war. It was a work of an organiza-

Noted Psychologist Speaks in Walker Tomorrow

The Menora Society has secured a prominent psychologist of Boston, Dr. Myers, on the "Psychological Theory of Numbers." The address will be held in the hall of the Menora Society.

Several students have commented that the war has left them with a feeling of uncertainty and the desire to know more about the world. It is hoped that the lecture will provide some insight into these issues.
