CHARGE OF THI8
Wednesday, March 8, 1922

The hope of inaugurating a spirit- 
cially bar at the Institute, have-
ning purely curatorial aims, whether it be a literary club, a de- 
salating society, a forum, or some-other-
type of activity, has been entertain-
ted at different times by various individ-
uals. The formation of a group of organ-
izations, however, is a task which has plans is now under way.

Wednesday, March 8, 1922

The TECH

the form of a literary club, a debat-
ting society, or a forum, for the purpose of bringing attention to the expres-
sion of the minority opinion of the student body as a whole.

The TECH, THE TECHNOLOGY, and the Lounger pos-
tion themselves as forums run in accordance with the principle that inside the broadening and cultural in-
stitutions who have fulfilled special

Professor Victor Lenher. of the depart-
ment of the University of Nebraska
was brought to light. The sub-
jects for each talk would double
ous from the Student Tax and honor

was a young man who had left

was an increased circulation and

and a forum which would be forum of the student body. It
