

## MANAGING BOARD OF VOLUME III NOW IN CONTROL OF T.E.N.

**Harmon, Formerly in Charge  
of Circulation, Named  
General Manager**

**B. P. LANE FILLS POST  
OF EDITOR-IN-CHIEF**

**Work of Business Manager  
Will Be Handled by  
F.P. Squibb**

The Managing Board for Volume III of The Tech Engineering News has been elected and is already taking over its duties. The new General Manager is F. G. Harmon '23. He will have with him on the board, B. P. Lane '23 as Editor-in-Chief, F. P. Squibb '23, as Business Manager, R. H. Kean '23, as Assistant General Manager, W. F. Donovan, Jr., '24, as Advertising Manager, R. K. Turner '23, as Circulation Manager, D. F. Elliott '24 as Managing Editor, and G. A. Conklin '25, as Publicity Manager.

### Succeeds Patty

Harmon, who is succeeding J. C. Patty '22 as General Manager, has held the position of Circulation Manager and prior to that the position of Managing Editor of Volume II. He is a Course X man, a member of Stylus, Pi Delta Epsilon and Theta Chi fraternities and was on his class tug-of-war and class track team. He prepared for the Institute at the Brattleboro High School, where he was Editor-in-Chief of his high school year book and monthly magazine. He has been identified with publications during his life at Technology and was on the committee for the increase of the Student Tax.

Lane, who has been the Managing Editor, prepared at Newton High School. He was one of the two undergraduate representatives sent to the convention of the Engineering College Magazines Associated, held at Ann Arbor, Michigan, last month. He

**B. P. LANE '23**  
Elected Editor-in-Chief of T. E. N.

held the position of General Manager of the "Benchmark" in 1921 and is a member of the Executive Committee of the Mining Society, and of Stylus, Pi Delta Epsilon, Theta Tau, and Delta Upsilon fraternities.

### Squibb is Business Manager

Squibb, from Lawrenceburg, Ind., came here from Pennsylvania Military College. He has been holding the position of Undergraduate Editor. He is also General Manager of the T. C. A. Handbook, and is on the Interfraternity Conference Executive Committee. He is a member of Theta Tau, Pi Delta Epsilon, Stylus, and Theta Chi.

Kean prepared at Woodberry Forest School, where he was Editor-in-Chief of the monthly magazine. He was coxswain of the second Sophomore crew and has been holding the position of Assistant Managing Editor. He is a member of Stylus and Theta Chi.

Donovan is a graduate of Georgetown University and transferred to Technology last fall from Case School (Continued on Page 2.)

## NEW T. E. N. HEAD

**F. J. HARMON '23**  
General Manager of T. E. N.

## GIVE ADVANTAGES OF S. I. E. AT MEETING

**Boston Business Man Member of  
Industrial Engineers  
Will Talk**

In order to further acquaint Corporation XV members with the Society of Industrial Engineers with which the Corporation is planning to affiliate there will be a meeting in room 1-190, Friday. An engineer who was a member of the Board of Directors of the Society will talk about the advantages which the Society offers and the talk is to begin about 3 o'clock.

Members of the S. I. E. will receive a copy of the monthly bulletin, at different times prominent engineers will be sent to address the branches, an employment bureau will be at the service of the members all of the time and after graduation the student may apply for transfer to the Junior Membership without the payment of the usual \$10 admission fee.

The regular membership dues of the S. I. E. are \$1, but as half of this sum will be paid by the Corporation the student joining the Society will only have to pay half. Only members of Corporation XV may join. The list upon which to sign up is in Professor Schell's office where men may sign for a membership button as well.

## POLICE BLAME STUDENT FOR GIRL'S SUICIDE

**Kills Self With Same Poison He  
Furnished Her**

Police have been investigating the death of a Norwegian and a student of Chemistry here at the Institute, O. H. Larsen '22, whose body was found on the grounds of the Boston Art Museum last Monday morning. He had been sought by the police for several days following a party at a Newbury Street apartment from which he rushed after Miss Pauline Clark had taken poison that Larsen had furnished her.

Larsen was blamed as the cause of Miss Clark's death because he had suggested the poison to her according to testimony. In a letter to the press which was found on his body, he defended his action.

The tragedy has aroused much comment in the Boston newspapers. The Norwegian Consul has taken action to provide what he terms greater protection for Norwegian students studying in Boston. He says that conditions under which students are living are responsible for this occurrence.

## TEA-DANCE IN WALKER FOR BENEFIT OF TRACK

To help the track finances along the Walker Memorial Committee is planning to give a tea-dance Saturday, April 1, from 3 o'clock to 6 in the Walker Memorial. The music will be furnished by the orchestra of the Musical Clubs which played at the tea-dance last term and at the Winter Concert. Tickets for the dance go on sale today at the cashier's stand in the Walker Memorial, at the Technology Co-operative Society and at the Walker Memorial Committee office. The matrons will be Mrs. Talbot Mrs. Bigelow, Mrs. Pearson, Mrs. Christian, Mrs. Hudson, and Mrs. Rollins.

## MANY VETERANS IN FIRST VARSITY SHELL

**Expect Hard Competition for  
Places on Technology's  
First Eight**

### NO COACH PICKED YET

Two Institute crews were out for the first trial spins on the Charles yesterday afternoon. Captain MacCurdy was in charge, since the coach for the spring has not yet been picked. Mac rowed number seven on a crew of veterans, all but one of the oarsmen having seen service in Technology shells last year, and seemed quite well pleased with the fashion in which the men went to work. The captain expects some hot competition for seats in the first varsity boat.

A tentative varsity eight, as it appeared yesterday afternoon is: Brill, eight; MacCurdy, seven; Valentine, six; Woodruff, five; Sayre, four; Nowell, three; DuPont, two; Evans, one; and Folinsbee, cox. Four of these men were on the varsity at the close of last spring's schedule, while DuPont, who comes from Yale, is the only candidate who didn't wear the Cardinal and Gray last year. This combination averages 165 pounds.

**Second Crew Averages 160 Pounds**  
The second crew lined up: Dunleavy, eight; Blood, seven; Greatwood, six; Eaton, five; Prouty, four; Driscoll, three; Dickerman, two; C. F. Smith, one; and Reed, coxswain. The average weight of this boat is about 160 pounds.

John Molinar, a regular last spring, was unable to be on deck yesterday but is expected to be in the thick of the fight for a position on the varsity. Several members of the Sophomore field day crew, which had an excellent record last year racing as the Institute freshman outfit, are after positions with Captain MacCurdy, and will (Continued on Page 3.)

## FOLLIES COMEDIANS AT SOPHOMORE DANCE

**Party Goes to 2 O'Clock by  
Special Permission  
from Dean**

**TICKETS SELL AT \$3.50**

Ted Lewis of the Greenwich Village Follies company and his band have been secured to furnish the entertainment for the Sophomore Dance, to be held in the main hall of Walker, Friday, March 31. His companion on the stage, Joe Brown, will be present to help enjoy the evening. Joe says that he is not in the habit of doing any entertainment other than his work with the Follies, but that he will enjoy coming over to the dance and laughing with the crowd at the antics and jokes of his pal, Ted Lewis.

### Serve Supper in Grill

The appearance of these comedians will be at the formal dance of the Class of 1924. It will begin at 9 o'clock, and will last until 2, by special permission of the Dean. Tickets will cost \$3.50, and will be on sale in the main lobby today, or may be obtained from members of the committee. Walter Johnson will furnish the music for the dancing, and promises to put on his best entertainment. He will appear at the piano, and will be assisted by his six best men. Supper will be served in the grill and in the faculty dining room. The committee from whom the tickets may be obtained is: B. A. Cushman '24, chairman, T. F. Bundy '24, T. H. Joyce '24, A. M. Gault '24, and A. K. Sparrow '24.

### PROM NOTICE

Students wishing to have the picture of their Prom girl appear in the Rotogravure Section of the Prom Issue of THE TECH will please send in a snapshot of HER at once. The face and shoulders should not take up more than one square inch of space. As it will be necessary to clip the picture, it cannot be returned.

## INSTITUTE TRACK CANDIDATES OPEN OUTDOOR SEASON

### Kanaly Calls "Filter Paper" Coward's Job

Coach Frank Kanaly of the track team in referring to the anonymous publication that appeared at the Institute last term, and which was alleged to be published for the purpose of exposing things here in general, characterized it as the dirty work of cowards. He called The Filter Paper "a dirty job and a coward's job."

## SELL JUNIOR PROM SIGNUPS TOMORROW

**Pay \$5 Now, and \$6 to Redeem  
Pasteboards—Only Five  
to One Man**

Signups for the Junior Prom are to be put on sale tomorrow in the main lobby from 12 to 2 o'clock. The price of the signup is to be \$5 which, together with the \$6 payment upon redemption of the signup, will constitute the total price of the tickets, \$11.

The Prom Committee is asking the co-operation of everybody so that the sale of the tickets will not be unfavorably spoken of later, as has been the case in some former years. According to present plans, tables are arranged to accommodate five couples and the committee announces that this can be arranged to suit the needs of parties.

## SPRING COMPETITION STARTED BY T. E. N.

**Over Twenty Positions Must Be  
Filled**

The Advertising and Circulation Departments of the T. E. N. have been practically wiped out by the elections, most of the members being advanced to higher positions, so that these departments are non-existent at the present time.

To fill up these vacancies the T. E. N. is going to run a spring competition which will start next Friday at 5 o'clock in the T. E. N. office, room 27, Walker Memorial. There are something like twenty positions open in the Editorial and the Business Departments and the T. E. N. management think these offer the greatest opportunity for business advancement and experience to be found in the Institute at the present time. New schemes for the circulation and advertising are being developed which will give a chance for more men.

## SOCIETIES EDITOR OF TECHNIQUE 1924 ELECTED

**C. M. Phelps '24 Holds Position  
on Next Board**

In regular session Monday afternoon the 1924 Technique Electoral Committee elected C. M. Phelps '24, to fill the position of Societies' Editor of Technique for next year. Phelps was out for the editorial competition of Technique 1923 and was a member of the Junior Board. The next election to be made is that of Portfolio Editor.

## BAND BATTLES BERT AT NEXT DORM DANCE

For the first time this year, the dorm dance Saturday night in the main hall of Walker will be furnished with a battle of music between Bert Lowe's Orchestra and the Jazz Band of the Technology Combined Musical Clubs.

Tickets for the affair are practically sold out to date, but the committee reports that there are a few left which they will distribute while they last. The dance will run from 8 o'clock to 12 as usual.

## SPRING TRACK PLANS OUTLINED BY COACH AT ANNUAL MEETING

**Over 200 Veterans and New  
Men Respond to Frank  
Kanaly's Call**

### FORMER VARSITY LEADERS ADDRESS GATHERINGS

**More Material Needed In  
Field Events to Make  
Balanced Team**

Two big meetings of over two hundred veterans and new candidates in room 10-250, Monday afternoon, started the track season at the Institute with a flourish. Captain Yard Chittick, Coach Frank Kanaly, and two well known Beaver stars of former days, Harvey Benson '17 and Henry Pierce '20, addressed the men. More than 150 men attended the 4 o'clock gathering, while about half as many came to the one at 5.

**Captain Grooms New Men**  
Captain Yard Chittick, at his first meeting and greeted the athletes with a short talk in which he welcomed the new men and told of the schedule for the season. The Interclass Games will be held on Monday afternoon of Junior Week to formally open competitive work. Cups will be presented to winners in each event and medals to those placing second and third.

Captain Yard said that the dual meet with Navy is almost assured for May 13 and will give the team a fine trip to Annapolis. The meet with Harvard on May 6 is really the goal of the season, however, for a win in this will insure victories both over the Navy and in the New England championships. Brown and Boston College are expected to furnish most of the opposition to the Engineers in these games.

**Henry Pierce Sounds Warning**  
Henry Pierce '20, a man well known to every Institute track man for his interest in athletics, was the next speaker. Pierce was a high jumper and captain when in the Institute so his warning that the Beavers must nurse their strength in the field events if they hope to come through with another win in the New Englands carried due weight. Hank was always strong with statistics and as usual proved his points by their aid, showing how Technology has won her five consecutive victories in these games by excelling in the field even though equalled in performance on the track. Being a high jumper himself he was able to give some helpful hints to the men in this event as well as telling what types of men would be most likely to be of value in the weights, discus, and the new event, the javelin throw.

**Famous Distance Man Speaks**  
Harvey Benson '17, captain of the cross-country and one of the best distance runners the Institute has produced, told the men of his hobby in track athletics, the fighting spirit. Mr. Benson's own performances for the Cardinal and Gray were always characterized by his determination and grit and his example has helped more than one Engineer cross-country team since.

He told of the value of the right mental attitude in approaching work on the track and sounded an especial warning against "stage fright" in big meets which, he said, was the cause of our rather poor showing in the Harvard (Continued on Page 3.)

## CALENDAR

Friday, March 24  
8:00—Masonic Club dance, main hall.  
Saturday, March 25  
8:00—Dorm dance, main hall.  
Monday, March 27  
6:00—Faculty Club dinner, north hall, Walker.  
Friday, March 31  
8:00—Sophomore Hop, main hall.
