ENGINEER TRACK MEN
COMMENCE SEASON'S
TRAINING ON CINDERS

Tech Field Scene of Varied Activity as Large Squad Reports

MANY NEW CANDIDATES SHINE UP FOR WORK

Weights and High Hurdles in Meet Desperation on Beaver Lax

The last two days have seen Tech Field come to life with a vengeance and a great deal of activity. In the gymnasiums, 200 holding athletes began training for their various events for the coming season while in the classrooms, interest was at a fever pitch. The activity extends to the halls, where the students have demonstrated their determination in the force of the student body. The new season has been marked by a great increase in the number of athletes turning out for practice and the spirit of the students is apparent in their attitude of confidence and enthusiasm. The team is well-coached and trained and the athletes are motivated to excel in their respective events.

CHRISTIAN ASSOCIATIONS ASSEMBLE AT DARTMOUTH

P. H. Frazer '33, Will Represent engineering Division

The Dartmouth College Conference, in which many colleges are sending representatives, was held at Dartmouth on May 25 and 26, under the auspices of the Dartmouth College, and attended by over 100 delegates.

There are to be talks and round table discussions on various subjects, with a great interest shown in the Christian Associations of the various colleges. The conference will open on Friday at the masse Mathieu Cabin, with a banquet, followed by a discussion of "The Outlook for the Christian Professions in the Colleges," with Rev. R. C. Cameron, of Hanover, as leader. Saturday morning, Rev. A. C. C. Skinn, of Conant, Conn., will lead in a discussion of the "Role of the Christian College," and a round table discussion of Association Work, with Rev. Charles W. Wall, of Northfield, "as leader. Saturday afternoon there will be a meeting of the special committee on Facilities for Service in the Foreign Field, which was to be held in the College House. Monday, May 28, will be followed by a visit to the Dartmouth College Observatory and the Associated Lemons.

Several Colleges in Attendant

The new event in international competition, the Olympic Games, has caused the most interest in the recent exhibitions, having a daily attendance exceeding the usual on any other day. George Bush appears to attract all at the games as well as those who regularly visit the College. Among those who are just beginning to follow the Olympic Games, there are some who have made the correct team, show the most promise, though they have not done work as yet to determine their real abilities.

Veterans Left in Jumps

Many of the students have been left behind in their training, which has been competing during their absence. The team is making the most of the opportunity afforded them, and is now working on the lines of the best possible form for the team.

MOTOR TOOK DOWN AND
REBUILT IN RECORD TIME

Many Forced to Stand in Desire

A crew of 35 minutes was required to take and reassemble the motor of a Mariner 70 on the Club Yacht, "April King," as it had been removed for over a year, and has been cleaned up by the crew. There are many forced to stand in desire for the motor, as it has been removed for over a year, and has been cleaned up recently. The "April King" is scheduled to be launched in the near future, and will be ready for use in the spring.

SHERWOOD EDEY TO ADDRESS STUDENTS AND FACULTY TODAY

Few Remaining Tickets May be Obtained from Members of Committee

The evening meeting of the Technical Association will be held in the main hall of the University, on Wednesday evening, May 27, at 8:00 o'clock. The meeting will be addressed by Professor W. S. T. Moore, and will be followed by a discussion of "The Outlook for the Christian Professions in the Colleges." There will be a banquet at 7:30 o'clock, and a discussion of Association Work, with Rev. Charles W. Wall, as leader. The meeting will be attended by many who are interested in the work of the Christian Associations of the various colleges. The conference will open on Friday at the Masses Mathieu Cabin, with a banquet, followed by a discussion of "The Outlook for the Christian Professions in the Colleges," with Rev. R. C. Cameron, of Hanover, as leader. Saturday morning, Rev. A. C. C. Skinn, of Conant, Conn., will lead in a discussion of the "Role of the Christian College," and a round table discussion of Association Work, with Rev. Charles W. Wall, as leader. Saturday afternoon there will be a meeting of the special committee on Facilities for Service in the Foreign Field, which was to be held in the College House. Monday, May 28, will be followed by a visit to the Dartmouth College Observatory and the Associated Lemons.

THE TECH Advertising Department Can Use Eight Live Sophomores and Freshmen

A Record of Continuous Newsmen Service for 41 Years

Many forces have been working on the paper, and the results are apparent in the increased circulation and the improved quality of the work. The success of the paper is due to the efforts of all those who have contributed to its success, and the continued support of the students. The Tech Advertising Department is capable of using eight live sophomores and freshmen, and they are ready to be trained and used in the society. The Tech Advertising Department is well-equipped to handle the work, and is ready to provide the necessary support.
