Institute Golfers Organize Team This Afternoon

SECOND INSTITUTE GOLF TEAM FORMED

Captain Schley and Manager Zane Will Speak to Candidates

FOUR VETERANS TO PLAY

All the Institute's golfers will be out at this afternoon at 3 o'clock in readiness for their last practice before the season. Manager John Zane will see to it that the nine vapors and Captain Henry Schley will speak to the unit. The practice is for the first time in five years and is to last until the players start in their practice rounds since the first practice is only four weeks in the future.

A golf team was organized at Tech for the first time last spring. Four of the veterans who will be available this year are Captain Schley, John Rafter, Abbot Johnson and Fritz Clement. With this quartet as a nucleus much difficulty ought to be experienced in finding a really fine lineup organization.

Sophomore Ball Team Plays First Game Tomorrow

The sophomore baseball team goes to Andover tomorrow afternoon in its first game of the season, contest being the first for the junior scholastic. Owing to the absence of many of the candidates who have been reporting for practice, there is no assurance that the team will be able to play this afternoon but the probability is that it will.

An answer should be given for Bolton if interested.
