

## M.I.T.A.A. CHOOSES NEXT YEAR'S HEAD

**M. N. Waterman '23 Elected  
President at Yesterday's Meeting**

### SUBMIT TWO REPORTS

The M. I. T. A. A. at its regular meeting yesterday afternoon in the library of Walker, elected M. N. Waterman '23, president for the coming year. At the same time it elected J. C. Nowell, Jr., '23, vice president, and C. H. Hubbard '23, secretary.

The reports of the swimming and wrestling teams were heard at this meeting and it was moved that the awards be granted subject, of course, to approval by the Advisory Council on Athletics.

### Waterman Was Track Manager

Waterman, the new president, is this year's manager of the Institute track team, and takes the office of head of the M. I. T. A. A. in accordance with a custom that has prevailed for a number of years.

Nowell was Manager of boxing for the past season and is at present captain of the "Grays," one of the two first varsity crews. Hubbard, the secretary, was captain of the basketball team and has been re-elected to that position for the next year as well.

## FOUR NOTED SPEAKERS FOR MENORAH BANQUET

**Dinner to be Held Next Monday  
in North Hall**

Several more speakers have been secured for the Menorah Society Banquet in place of Judge Mack of Chicago who wired he would be unable to fulfill the engagement. The banquet will be held in north hall of Walker on next Monday evening at 6:30 o'clock.

Dr. Alexander Dushkin of the Bureau of Jewish Education, chief speaker of the evening, will have interesting material concerning his recent trip to Palestine. He is also an ardent Zionist. Other speakers are Dr. David Gordon Lyon, Curator of the Semitic Museum at Harvard, Professor Leo Wolman head of the New School for Social Research and Mr. Henry Hurwitz, Chancellor of the Intercollegiate Menorah Association in New York. Music and a recital by a student of Emerson College of Oratory have been added to the program. Tickets are \$1.50 and may be obtained from any of the officers.

## START WORK ON SUMMER SURVEYING CAMP BOOK

**Candidates for "The Benchmark  
1922" Meet Friday at  
5 O'Clock**

Work on "The Benchmark 1922," the annual publication of the students that attend the summer surveying camp at East Machias, Me., will start this week with a meeting of candidates Friday in the Faculty and Alumni room of Walker at 5 o'clock.

There are a number of editorial and managerial positions that have to be filled, and in order that preliminary arrangements for publication may be made before the camp opens, men will be picked by last year's board to fill the positions of General Manager, Editor-in-Chief and Treasurer. The rest of this year's board will be chosen by these men at the camp.

### Will be Third Volume

The Benchmark 1922 will be the third volume of the publication. The book was first published in the summer of 1920, as a camp memorial. If enough men care to work for it this year, there seems to be no doubt but that the book can be greatly enlarged and improved.

Any man attending the camp will be eligible for positions. Sophomores in Courses I, XV and XIII are required to take the summer camp work and it is from their ranks that the 1922 publishers of the camp year book must be chosen.

## CHORAL SOCIETY WILL HOLD FIRST CONCERT

**To Be Held Tomorrow Evening  
in Main Hall at Walker—  
Many Specialties**

The Choral Society will hold a concert in the main hall at Walker tomorrow evening at eight o'clock. They will be assisted by the combined Musical Clubs, the Glee Club and other musical numbers in the form of solos.

This is the first concert of the Choral Society and will be under the direction of Dr. A. W. Rowe and Mr. Stephen Townsend. The complete program will be as follows:—

  6. "Coppah Moon"  
Glee Club
  7. "Drakes' Drum," "The Old Superb"  
Choral Society
  8. Tech Songs Finale  
Combined Musical Clubs
- Admission will be by popular price of 50 cents, payment at the door.

## NAVAL ARCH. SOCIETY ELECTS NEW OFFICERS

At a meeting of the Naval Architectural Society held yesterday, the officers of the coming year were chosen. The society elected T. H. Boyd '23, as chairman for next year. W. N. Webster '23, was elected secretary and P. F. De Reynier '24, as vice chairman. F. Parra was elected treasurer.

## SENIORS TO VOTE ON STATISTICS SOON

**Alumni Association Fees Will  
Be Collected from Men  
by Class**

### QUESTION DUE FRIDAY

The questionnaire from which the Senior Class statistics are compiled is being made up and will be issued early next week. The chairman of all the standing committees of the class are expected to hand in a list of questions with their regular Friday reports.

The idea of this questionnaire is to bring out the individual opinions of the Seniors on subjects of general interest. For instance, the men will be asked when they intend to marry; if they drink, and what they drink; whether they have been kissed; who is the most popular; what the most important single thing has been in their four years at Technology and numerous similar questions.

### Seniors to Collect Alumni Dues

The graduating class is inaugurating a new system this year with its plan to collect dues for the Alumni Association. Every man becomes a member of the organization automatically upon graduation but in former years there has been a tendency to overlook the dues of \$3 per year. Under the new plan every graduate will be requested to pay before the end of the school year.

All members receive a copy of the Technology Review which records the activities of all the classes and gives individual notes on graduates. In this way it becomes possible to keep acquainted with the activities of former classmates although far from the Institute. The Association maintains a very complete address list by which it is possible to locate any graduate of Technology.

By virtue of the constitution every class is represented on the controlling board of the Alumni Association. It has charge of all Alumni reunions and events of a similar character. Local clubs are also under limited control of the organization and in turn have representatives in it.

## VARSITY CREWS GO TO NAVAL ACADEMY FOR OPENING RACES

**Cards and Grays Travel to  
Annapolis Tonight for  
Contests Saturday**

### FRESHMAN BOAT COMPETES WITH HARVARD '25 HERE

**Middie Oarsmen Reported to  
Have Lost Some of Their  
Championship Skill**

The two first Technology crews, the Cards and the Grays, leave tonight for their initial clash with the Annapolis first and second crews, Saturday afternoon. The Navy varsity rated next to Princeton in collegiate circles last season and the lineup of the eight is practically unchanged though the general opinion seems to be that the combination is not working quite as smoothly. They are a trifle overweight, averaging close to 179 pounds. The Academy is trying to have its plebe or freshman crew row in the same race with the second crews, but this rests with the Technology management.

### Twenty Men Go To Annapolis

The Cards, who at present rate as the first varsity, average close to 186 pounds, with the Grays some seven pounds lighter. Twenty men, with the coach and manager, are taking the trip. The Cards have the following seating: Bow, Driscoll; 2, Molinar; 3, Blood; 4, Valentine; 5, Eaton; 6, Greatwood; 7, McCurdy, Capt.; stroke, Brill; cox, Kean. Kean is a new man on varsity crews, being placed with the first varsity after Coach Stevens had taken charge. He takes the place of Reed, who is coxing the new 150 pound crew.

The Greys are seated as follows: Bow, Evans; 2, Weiler; 3, Murdock; 4, DuPont; 5, Scholtz; 6, Sayre; 7, Nowell, Capt.; stroke, Dunleavy; cox, Follinsbee. Nowell, who until last week was seated in the Cards, was recently changed to his present position with the Grays of which he is captain. Prouty and Davis are taking the trip as substitutes.

### Freshmen Race Harvard

The same afternoon that the varsity crews meet with Navy the freshman eight will open the season on the Charles against Harvard '25. The freshmen will race over the mile and five-sixteenths course at 4:30 as a preliminary to the Penn-Harvard races later in the afternoon. The  
(Continued on Page 4.)

## FRESHMEN BALL TEAM OPENS HOME SEASON

**Meets Wentworth Academy  
on Tech Diamond—Play  
in Field Improved**

### PHIL CARRIER LEADS NINE

This afternoon will see the first home game of the season on the Tech diamond, when the freshmen meet the Wentworth Institute yearlings. Walt Metcalf's men should have little trouble in taking their opponents into camp if they can get away from the loose style of playing that caused their defeat at Andover last Saturday. The Wentworth team has a good battery in Track and Adams, but the frosh should be able to solve anything they can offer. The game will be called at 3 o'clock on shortly after.

### Fielding Shows Improvement

The sloppy brand of fielding which lost the Andover game has been considerably cleared up, although there is still plenty of room for improvement. Yesterday afternoon the squad was split up for a practice game and a few good hits were poled out. With the advantage of playing on their own field the frosh ought to give Wentworth a hard scrap this afternoon.

### Carrier Elected Captain

At the end of yesterday's practice session, the men met and elected Phil Carrier captain. Carrier plays sec-  
(Continued on Page 4.)

## PLANS NOW COMPLETE FOR "Y" CONFERENCE

**Viewpoint of Other Colleges  
to Be Given by Prominent  
Delegates**

All plans have now been completed by the T. C. A. for the conference of Y. M. C. A. officers and representatives which will be held here this week end. Arrangements have been made with the various fraternities to provide rooms for the delegates.

Registration for the conference closed on Monday, April 24, and about 60 men are expected to attend the convention. They will represent about 22 different colleges in New England, and because of the wide representation a great deal of benefit is to be expected from the discussions which will arise at the meetings.

There will be a number of men attending the conference who are prominent in Christian work, and their addresses will be of especial interest to those present because of the fact that the majority of the delegates will be newly elected officers of the college Associations, and from this convention they expect to derive the viewpoints of other institutions as to the different phases of work.

## SUPPLY OF TECHNIQUES RAPIDLY DECREASING

**Signup Holders Urged to Secure  
Books Immediately**

Techniques may be obtained from now until May 1 in the Technique Board office on the third floor of Walker. The office will be open every day from 12 to 2 o'clock and on Saturday from 12 to 1 o'clock. No signups may be redeemed after May 1 and the Board urges that all men holding signups or paid in full cards redeem them as soon as possible. The supply of books has been decreasing very rapidly and after May 1 the remaining volumes will be distributed to men on the waiting list at the price of \$4.00 per copy.

## CORPORATION XV PICKS NEW BOARD

**Elect P. P. Pratt '23, Presi-  
dent for Next Year by  
Unanimous Vote**

### MEMBERS JOIN S. I. E.

With the annual banquet held by Corporation XV last night, the work of the sixth Board of Directors was completed. The main event of the evening was the election of the new Board for the coming year. P. P. Pratt '23, was elected unanimously to fill the position of president. J. B. Nason, Jr., '23, was elected secretary and F. O. Billings '24, won the position of treasurer. The Senior directors are Eltweed Pomeroy, Jr., '23, and H. S. Ferguson '23, who were elected after a tie vote. The Junior directors are F. R. Herford '24, and R. E. Whitford '24.

### Professor Dewey Talks

The chief speaker of the evening was Dwight P. Farnum who spoke thoroughly on the status of the industrial engineer in the business administration world today. I. W. Litchfield '85, spoke after a big applause and discussed the waste today found in the managing departments of many of the business firms. Professor D. R. Dewey, head of the department of engineering, complimented the Class of 1922 in a novel manner after a thunderous applause.

Professor E. H. Miller '86, proved as popular as usual and was followed by Professors J. B. Babcock, III, '10, and Robinson, each of whom spoke on the merits of their particular options of Course XV. L. W. Conant '21, lead the singing and spoke briefly on the advantages of Corporation XV. The retiring officers read their reports and the treasurer reported that the finances of the Corporation were better than their predecessors. The membership cards of the men in the Society of Industrial Engineers were distributed during the evening. Over a hundred were present.

## NEW PRESIDENT OF ALUMNI ELECTED

**New Members of the Advis-  
ory Council Chosen—  
Discuss Fellowships**

### H. J. CARLSON '92, PRESIDENT

As a result of the annual election of officers of the Alumni Association of Technology, Harry J. Carlson '92, was named president. Mr. Carlson was a member of Course IV and is at present connected with the firm, Coolidge and Carlson, Architects. Frank C. Schmitz '95, was elected vice-president of the Association and Professor Walter Humphreys '97, was elected secretary-treasurer.

During the last month three term members of the Corporation were elected. They are F. W. Lovejoy '94, Mr. Lovejoy was a member of Course X while at the Institute and as at present the vice-president of the Esstman Kodak Company. Mr. Potter, a member of Course III, is now the president of the Guaranty Trust Company of New York. Mr. Gardner, a graduate of Course IX is now president of the Gardner, Moffat Company of New York.

### New Advisory Council Elections

Other results of the election of officers are, for executive committee, Hiram P. Maxim '86, and Wallace C. Brackett '95. Five representatives-at-large were also elected as follows: Thomas D'A. Erophy '16, Gorham Dana '91, Frederic W. Fuller '96, Elisha Lee '92 and Harry H. Young '91.

At a recent meeting held at the Institute the following were elected as members of the Alumni Association Advisory Council on Undergraduate Activities; Dr. John A. Rockwell '96, and Harrison P. Eddy, Jr., '17, for Athletics; Winward Prescott, of the Faculty, for Publications; Alexander Macomber '07, for Tech Show; H. S. Ford, Bursar, for the Budget and Finance Committees; O. B. Denison '11, for Walker Memorial; and Professor H. G. Pearson, of the Faculty, for the Musical Clubs. The question of Honorary Fellowships of Technology was discussed at the meeting.

## PROFESSOR MOORE TO TALK ON TESTING OF MATERIALS

Professor H. F. Moore, Research Professor of Engineering Materials at the University of Illinois, will give a talk in room 5-330 Friday, April 28, at four o'clock. The subject of his address will be "Testing of Materials by Repeated Stress," a subject on which he has had a great deal of experience.

## ADVANCED MILITARY CAMPS ARE POPULAR

**Institute Is Well Represented at  
All Summer Camps  
This Season**

The official list of men going to summer camps from the Institute has just been given out by the Military Science department. There will be 249 men from the advanced sections; 47 are going to the Ordnance camp, 84 to the Coast Artillery, 48 to the Engineers, 38 to the Signal corps, and 32 to the Air Service.

The total list of men going to the basic camps is fairly small. Nine are going to the Coast Artillery, 13 to the Engineers, four to the Signal corps, and one to the Air Service. The enrollment of all basic camps is limited to three per cent of the total number enrolled at the school at the Coast Artillery, and five per cent at all other camps.

The date of opening of the Signal Corps camp has been changed from the 15th of June to the 22nd. Because of this the camp will close a week later.

## CALENDAR

- Wednesday, April 26  
5:00—Speakers' Club meeting, Faculty and Alumni room.  
8:00—Army Ordnance smoker, north hall.  
Thursday, April 27  
8:00—Choral Society Concert, main hall.  
Saturday, April 29
