START WORK ON SUMMER SURVEYING CAMP BOOK

Candidates for "The Benchmark 1922" Meet Friday at 5 O'Clock

Work on "The Benchmark 1922," the annual summer surveying camp book, will begin this week with a meeting of candidates. The project is designed to attract the summer surveying campers to the campus and to stimulate interest in the surveying profession. The meeting will be held in the main hall at Walker on Friday at 5:00.

The students who will participate in the project will be selected on the basis of their interest in the surveying profession and their ability to contribute to the book. The project is expected to be completed by the end of the summer, and the book will be published in the fall.

The surveying camp is a popular event among the students, and the book is expected to be well-received. The students who participate in the project will be given recognition for their efforts, and the book will be distributed to the alumni and the public.

The first edition of the book was published in the fall of 1921, and it was successful. The book was well-received and was sold out within a few weeks. The publishers of the book are planning to publish a second edition in the fall of 1922, and they are looking forward to a successful outcome.

NEW PRESIDENT OF ALUMNI ELECTED

New Members of the Advisory Committee announced

H. J. CARLSON '20, PRESIDENT

As a result of the annual election of officers of the Alumni Association of Technology, Harry J. Carlson, '20, was named president. Mr. Carlson was a member of Course IV and is at present employed in the engineering and architecture firm of Lang and Carlson. He has been a member of the Alumni Association for several years, and he has been actively involved in the affairs of the association. He has been a member of the Board of Directors and has served as secretary and treasurer. He has also been a member of the Alumni Committee and has been involved in the planning of the annual Alumni Reunion.

The Alumni Association is the oldest and largest alumni organization of its kind in the country, and it is composed of alumni from the classes of 1900 to the present. The association is a voluntary organization, and its members are united in the purpose of promoting the welfare of the institution and its graduates. The association is governed by a board of directors, and it is organized into classes, each class being represented by a class representative. The association also has a permanent committee, the Alumni Committee, which is composed of alumni from all classes and is charged with the responsibility of planning and carrying out the annual Alumni Reunion.
