Three B. U. Pitchers Solved for 19 Runs by Sophomore Team
Captain Earle Bates' Ballplayers Score Five in First Inning

The Sophomore baseball nine landed on the B. U. frosh Saturday afternoon for a total of 19 runs to 6 for their opponents, poling out enough hits to bring in 5 runs in the first frame. Three B. U. pitchers came and went without stopping Earle Bates' hard-hitting crew, Bates poling out a homer and a double and the rest of the team hitting pretty much as they pleased. Every man who reported for the game was used, although Walt Kennet and Michelena did most of the battery work.

Stoup Clark Performs

Walter Clark played a pretty game on third, pulling down some hot catches, and also turned in his share of hits. Earle Bates gets the credit for the longest hit of the game, his homer in the first taking the air way outside the diamond.

Innings 1 2 3 4 5 6 7 RHE

HARVARD CREW DEFEATS FRESHMEN BY 12 LENGTHS

The Harvard freshman crew defeated Captain Dave Campbell's Institute frosh by a margin of 12 lengths on the Charles Saturday afternoon. This race was a preliminary to the two Penn-Harvard crew races, both of which the red and blue won, and was scheduled to start at 4:30 o'clock. At that time the high wind was kicking up too much of a rumpus on the basin and the two boats did not actually get under way until 6:40 o'clock, amid a rapidly gathering gloom which finally quite shut out a view of the varsity race to those on the embankment. From the bridge to the finish line the University just walked away, crossing the line in 7 minutes and 14 seconds, which was exceptional considering the mountainous seas in which they were laboring.

Stroke Dave Campbell was unable to row for a little more than the last half of the course since he had broken his seat.

NEWTON SWAMPED BY TECHNOLOGY NOVICES
(Continued from Page 1.)

both gave promise of future greatness in the sprints. Porter won the 220 in the fast time of 23 seconds against a head wind. The summary:

100 Yard Dash—Won by Webster, Tech; McDavid, Newton, second; Stewart, Tech, third. Time 19 2-5 s.
220 Yard Dash—Won by Porter, Tech; Webster, Tech, second; McQuiston, Newton, third. Time 23 s.
440 Yard Run—Won by Brown, Newton; Thomas, Tech, second; Brewer, Newton, third. Time 56 s.
880 Yard Run—Won by Moore, Tech; Burt, Tech, second; Harris, Tech, third. Time 2 m. 13 3-5 s.
One Mile Run—Won by Dicks, Newton; Van Tassel, Tech, second; Epstein, Tech, third. Time, 4 m. 53 s.
120 Yard High Hurdles—Won by Blodgett, Tech; Considine, Newton, second; Rowen, Tech, third. Time, 17 s.
220 Yard Low Hurdles—Won by Blodgett, Tech; Lovett, Tech, second; Considine, Newton, third. Time, 23 3-5 s.
Javelin Throw—Won by Colton, Tech; Koher, Newton, second; Coleman, Tech, third. Distance, 110 ft. 11 in.
Pole Vault—Tie for first between Parker and Lucy, Tech; Hardy, Newton, third. Height, 9 ft.
High Jump—Tie for first between Browning and Colton, Tech; Flynn, Newton, third. Height, 5 ft. 1 1/2 in.
Broad Jump—Won by Stewart, Tech; Ballentine, Tech, second; Mercer, Newton, third. Distance, 20 ft. 11 1/2 in.
Hammer Throw—Won by Rundlett, Tech; Coleman, Tech, second; Colby, Tech, third. Distance 85 ft.
Shot Put—Won by Johnson, Newton; tie for second between Colton and Coleman, Tech. Distance, 29 ft. 7 1/2 in.
Discus Throw—Won by Coburn, Tech; Colby, Tech, second; Colton, Tech, third. Distance, 92 ft. 9 in.

FRESHMEN LOSE TO ST. MARK'S NINE BY SIX RUN MARGIN

Bungled First Inning Gives Academy Winning Lead—Final Score, 15-9

After playing a loose first inning in which they allowed St. Mark's to pile up six run lead Saturday afternoon, the freshmen nine pulled itself up and played faster ball than their opponents in the other eight innings. St. Mark's took advantage of several errors in the first, sliding over six runs, and added another in the second, giving them a start of seven tallies before the frosh began to hit. Then Bill Cook shut down on the supply of floaters and St. Mark's runs were not chalked up as often.

Wind Increases Errors

Accurate fielding was practically impossible on the Southboro diamond due to the high wind, and this accounted for the large number of runs made. The frosh side of the score book began to show signs of life in the fourth, when a pretty double by Phil Carrier and singles by Dave Peene and Bill Cook brought home a pair of runs. At the end of the fifth the score showed St. Mark's leading 12 to 2, but the frosh cut down the lead by adding two in the sixth and three in the seventh, while Cook held the prep school without a run in these innings. The eighth saw three more chalked up for St. Mark's and two for the frosh, leaving the score 15-9.

Game Lost in First Inning

Without a doubt the frosh showed as much headwork and ability in the latter part of the game as did their opponents, and except for the errors in the first part, the score would have been a pretty even bet. The score:

ST. MARK'S

MECHANICALS TO HOLD LAST BANQUET OF YEAR

Talks by Professor Miller and Kenneth Moller Included in Program

The Mechanical Engineering Society is to hold its annual banquet next Wednesday, May 3, in north hall of Walker Memorial. The affair will be staged at 6.30 o'clock. Included in the program and speaking for the evening will be an address by Professor E. F. Miller '86, head of the department of Mechanical Engineering at the Institute. Kenneth Moller, who is connected with Lackward, Green & Co., will talk upon his industrial experiences.

Elections to be Announced

The committee in charge of the banquet announces that there will be a special number on the program by A. E. Baird, a professional entertainer. There will be music and various favors distributed.

At this time the results of the annual election of officers held three weeks ago, will be made public. Tickets may be obtained from any of the officers of the society at a cost of \$1.50.

S. W. PRENTISS ENGAGED

The engagement of Adela Merrell and Spencer Ward Prentiss is announced. Miss Merrell is a graduate of Wellesley College of the class of 1921, and is now research assistant of Professor F. J. Moore. Mr. Prentiss graduated at Williams in 1919 and is at present studying for the degree of Ph. D. in Chemistry at the Institute. The date of the wedding has not yet been fixed.

A Material of Many Uses

Du Pont Fabrikoid is one of the most widely used and indispensable products that Du Pont skill supplies to American industries and homes. This versatile material has brought important economies into many lines of manufacture, where it has replaced materials badly needed elsewhere. During the war, and now in peace, it was the most important means of conserving the supply of natural leather.

Du Pont Fabrikoid was originally offered as a substitute for leather, but as soon as its genuine worth was recognized it won its own place on its merits. It is now used wherever a flexible, water-proof fabric is needed to add serviceability and beauty to any product. Wherever adopted it brings a better looking, longer-lasting finished article to the consumer at a substantial saving in price.

Du Pont Fabrikoid is made in many different grades, some very heavy and rugged, others dainty as linen. It has in all grades a tough, protective coating that excludes moisture, grease and all foreign matter and keeps the material strong, sanitary and weather-proof. Fabrikoid is available in all desirable colors and grains—it can be supplied with practically any surface appearance wanted.

In the Furniture, Automobile, Bookbinding, Traveling Goods, Hat, Novelty and many other trades, Fabrikoid stands firmly on its own feet and is indispensable. As its advantages become known, nation-wide advertising multiplies that knowledge.

Today Fabrikoid is an important aid in bringing production and consumption back to normal.

We will be very glad to supply any inquirer with descriptive literature on Du Pont Fabrikoid.

A Scott Specialty In Student Suits

A SERGE for service for a serge suit will stand up and wear and wear when an ordinary Tweed or Cheviot would be hopelessly done-up.

And, indeed, apart from its service point of view, it's the greatest of all utility suits. What other business suit has its semi-social value?

Fine worsted Serges, various weights, Priced \$50 to \$65. Direct from our own work rooms.

Ready-to-Wear
