ELECTORAL COMMITTEE HOLDS FINAL BANQUET

The final informal gathering of the members of the Technical Electoral Committee was held on Oct. 26 in the Louis Cafe. The function was in celebration of the completion of the work of electing the managing board for the next volume of Technique and 40 of the committee of 50 were present.

Each man received a whiskey glass with his name engraved upon it as a memento of the occasion. White roses were present but every man was called upon for a short speech at the conclusion of the dinner.

Advocate Freshman Discipline

W. G. Pierce '24, discussed the proposed disciplinary measures in the matter of freshmen conduct, and suggested that freshmen should be forbidden to use the porch in front of Walker. At 4 o'clock he gave a series of lectures to Institute Freshmen, Dr. J. H. G. Hamner '24, and W. H. W. Forster '24, and suggested disciplinary measures with respect to freshman conduct, and suggested measures to prevent them from leaving the Institute's mail boxes or answering questionnaires that would be given because of another class. The last informal gathering of Walker. At 4 o'clock he gave a series of lectures to Institute Freshmen, Dr. J. H. G. Hamner '24, and W. H. W. W. Forster '24, and suggested disciplinary measures with respect to freshman conduct, and suggested measures to prevent them from leaving the Institute's mail boxes or answering questionnaires that would be given because of another class.

Young Men, Attention! A New Feature

By Mr. E. L. Bowles

of the

Boston Evening Transcript

The Boston Evening Transcript will conduct a daily column dealing with this interesting new science. It will include both elementary and advanced instruction, news and developments of interest to its followers.

ALUMNI NOTES

CLARK ROBINSON '17

Clark Robinson '17, has been appointed city architect and engineer of the City of San Francisco. He succeeds John H. Haggerty, who has been city architect for the past 10 years. Mr. Robinson succeeds Mr. Haggerty, who has been in charge of the city's engineering department for the past 10 years. He has been associated with the firm of Haggerty and Haggerty for many years and is now President of the firm. He is a member of the American Institute of Architects and a member of the American Institute of Electrical Engineers. He was a member of the New York City Architectural League.

A Scott Specialty in Student Suits

A SERGE for service in a serge suit will stand up and wear well and when an academic or Chivet suit would be hopeless.

And, indeed, apart from its view of point, it is the great- est value of a Scott specialty. It is a business suit with its own social value.
