

## HARVARD BOATS ROW TO VICTORY IN ALL RAGES OF REGATTA

### Eight Loses by Length and a Quarter After Leading in Early Stages

## SPEEDY CRIMSON SECOND DEFEATS JUNIOR VARSITY

### Freshmen Badly Beaten— Harvard Shell Draws Away as Beavers Weaken

Harvard's greater endurance and ability to finish with a burst of speed over the last half mile that left Technology a length and a quarter in the rear, upset the Engineers' hopes of securing even a single victory against the Crimson eights Saturday afternoon. The freshmen trailed badly behind the two Crimson crews. The Harvard seconds, making faster time than in the varsity race, led the junior varsity by three lengths of open water.

At the start of the varsity race Technology managed to grab a slight lead of about six feet, but the Harvard crew fought its way back to almost even terms before the bridge was reached. At the start the varsity rowed at a stroke of about 34 with the Crimson slightly lower. The wind was gusty and the water rather rough, but in spite of these handicaps the watersmanship of both crews was good.

### Harvard Strong at Finish

After the bridge was passed the varsity developed a lead of nearly half a length and their chances of success seemed good. But the Crimson stroke raised the pitch and at the Henley distance, opposite the Walker Memorial dock, the crews were again on even terms. From then on the greater endurance of Doctor Howe's charges told. Harvard obtained the lead and gradually increased it. A quarter of a mile from the finish Technology put in a big effort and cut down some of the Crimson advantage. They couldn't keep it. Both crews gave all they had at the finish, with the lead slowly increasing, till at the finish there was a quarter of a length of open water.

### Seconds Hold on 'Till Bridge

In the junior varsity race Technology jumped ahead for a slight lead at the start, but the shells were on even terms again at the half mile mark. They held together until dusk. (Continued on Page 6.)

## COLLEGE JOURNALISTS HOLD ANNUAL MEETING

### Three Delegates of THE TECH Present at Convention of E. I. N. A.

About 45 delegates from the leading collegiate newspapers of the East have been assembled at Ithaca, N. Y., in the third annual conference of the Eastern Intercollegiate Newspaper Association. The delegates from THE TECH are W. G. Pierce '24, Editor-in-Chief; Ingram Lee '24, Managing Editor; and L. B. Leighton '24, Advertising Manager.

The conference took place last Friday and Saturday. The plans for the conference included a two day schedule of business and pleasure sessions. The affair opened Friday morning with an official greeting of the delegates by officials of the city and University. Business sessions occupied the greater part of that day, with a banquet in the evening. The following day a tour of Ithaca was made, taking in many of the points of scenic beauty.

The object of the Association is to perfect the relations between the various papers. The papers that are members of the organization are: Amherst, E. U., Bowdoin, Brown, Colgate, Columbia, Cornell, Dartmouth, Hamilton, Harvard, Johns Hopkins, M. I. T., Middlebury, Princeton, Penn., Rhode Island State, Richmond, Rochester, Syracuse, Trinity, Wesleyan, Williams, and Yale.

## LATIN-AMERICANS ELECT OFFICERS FOR NEXT YEAR

### Bernado Elosua '23, President— Will Hold Farewell Dinner

The Latin-American Club held its last regular meeting of this year last Thursday at which the elections for the coming year took place. The following were elected: President, Bernado Elosua '23; vice president, Vicente Elorza '24; secretary, Q. E. Pesquera '24; assistant-secretary, Jose Bozzano '23; treasurer, G. A. Hevia '25; librarian, A. L. Guerrero '23.

A lecture was given by Bernado Elosua '23, upon "The Aztec Civilization." The club voted to have a farewell dinner at the end of the month in honor of its graduating members.

## SIGNAL BATTALION IS BEING ORGANIZED

A club is in the process of being formed among the students who are taking the advanced courses in signaling under the Military Science Department. All students who are taking these courses will be eligible for membership and all are invited to a meeting to be held in room 5-225 this afternoon at 5 o'clock. At this meeting the proposed constitution will be discussed and voted upon. The constitution as proposed is in the form of a field order, and the club will have the form of a battalion. The committee that has had charge of organizing the club consists of T. E. Rounds '23, chairman, J. E. Brash '22, O. L. Perkins '23, P. C. Smith '23. At the present time there are 9 seniors, 37 juniors, and 31 sophomores who are eligible for membership.

## REORGANIZATION OF HEXALPHA COMPLETED

### Expect New Plan to Remedy Former Difficulties of Society

### OFFICERS ELECTED SOON

For the past few weeks Hexalpha Society has been undergoing a period of reorganization. This society was founded two years ago by the class of '22 to facilitate the handling of matters pertaining to the men in course VI-A. The original organization was composed of two groups, one at the Institute and one at Lynn. The president of the organization was in charge of one group, while the vice president was in charge of the other. While simplicity was the original aim of the organization, this split led to many complications which could not be avoided, and showed plainly the need of co-ordination.

### New Plan Adopted.

While these difficulties were soon recognized, it was not until this spring that any rational solution to the problem seemed to present itself. Feeling that it was necessary to change the organization, thirty or forty members of the society held a meeting with such a view in mind.

The plan finally adopted was briefly as follows:

1. The society is to maintain the same name as before, and the membership is to be the same as before.
2. All business matters of the society are to be handled by an executive body, the nucleus of which has been elected, and at the present time consists of twelve men.
3. The officers of the society are to be three in number; namely, a president, a corresponding secretary, and a treasurer.
4. The members of the executive body, the name of which has not been decided upon, are to have the power of choosing other members upon the basis of initiative and co-operative qualities shown by members of Hexalpha Society.
5. Members of Hexalpha Society are to have certain rights by petition as a means of expressing popular sentiment in case of a disagreement with the executive body.

Membership to Hexalpha Society may be had by handing a blank to the secretary of the executive body. At the last meeting of the executive body, H. E. Koch '22, was elected president, and C. T. Jackson '22, temporary secretary.

## THREE FOURTHS OF SENIORS ANSWER CLASS QUESTIONS

### Unusual Interest Shown in Every Senior Week Function

### C. E. BROKAW '22, RECEIVES HONOR OF "MOST POPULAR"

### "Vice and Bench Work in The Fenway" Voted a Popular Activity

Fully three quarters of the Senior Class showed their spirit by turning in complete answers to the questionnaire issued two weeks ago. The publicity committee of the Senior Week committee has been working almost continuously for ten days upon the tabulation of the results.

Of the 680 men who returned their questionnaires the great majority showed an active interest in every event which is scheduled for Senior Week, the most popular functions being Tech Night at the Pops and the picnic at Pemberton.

### Statistics Receive Much Attention

Almost two thirds of those who answered signified their intention of going on the picnic. The exact number was 550 of which 500 promised to be on hand for the preliminary trolley crusade through busy Boston. 450 students with about 700 guests is the probable number planning to attend Pops night although this does not include Alumni.

A great deal of interest was shown in the Class Statistics and many of the answers proved beyond doubt that Institute undergraduates are far from dull in the ways of the world. In the voting on the most popular man, C. E. Brokaw '22, won, while D. F. Carpenter '22, had a clear title to the honor of having done the most for his class.

### "Engaged" Replies Interesting

The eternal question of marriage was for the most part curtly met by the Seniors, only slightly more than three percent admitting it. In many cases "No's" as emphatic as capitalization could make them were noted on the blanks. On the question of engagement the upperclassmen were far less unanimous for at least one man in ten owned up to the fact that he had promised some girl. These two questions were accepted rather seriously by most men but their answers when asked why they were not engaged or married were less restrained. One man declared it to be "unnecessary." (Continued on Page 2.)

## TECH SHOW SCENARIO WRITERS MEET TODAY

### Prof. Rogers Will Address Prospective Authors East Lounge

### MEETING IS IMPORTANT

General Manager W. D. Scofield '23, will meet the prospective scenario writers of Tech Show 1923, at a conference to be held in the East Lounge of Walker at 5 o'clock today.

Professor Rogers of the English Department will address the prospective authors and will outline what is expected in general of scenarios for the next show. He will offer suggestions and helpful ideas and answer any questions concerning scenarios which the writers may care to ask.

The Tech Show management desires to impress upon writers the importance of attending this meeting in view of the fact that all scenarios must be in the hands of the management before the close of the school year.

## NAVAL ACADEMY TRACK TEAM RUNS AWAY WITH DUAL MEET SATURDAY

### COSMOPOLITAN CLUB TO ELECT OFFICERS FRIDAY

### Results Announced at Luncheon Next Saturday

At the final meeting of the year of the Cosmopolitan Club next Saturday the results of the elections of officers for the coming year will be announced. The meeting will be in the north hall of Walker at one o'clock, where a luncheon will be served to the members of the club. Members of the Student Hospitality committee are also invited to attend.

Elections will be held in the Refrigeration Laboratory, room 3-115 on Friday from 9 to 5 o'clock. The nominations for president are: W. P. Allis '23, Guimaraes Atahualpa '23, T. B. Drew '23, and Prasob Sukhum '23. For vice president: Guimaraes Atahualpa '23, F. C. Ede '23, Bernado Elosua '23, and Antonio Rosado, Jr. '24. For secretary: C. H. Blake '23, T. B. Drew '23, and E. P. Roll '23. For treasurer: Rein Badasuke '23, L. A. Ferre '24, E. B. Ledesma '23, and Y. H. Woo '23. For councilors: Professor Joseph Lipka, Professor E. F. Langley, and Dean H. P. Talbot '85.

## HOLD A. A. BANQUET TUESDAY IN WALKER

### All Athletic Honors Except Class Numerals Will be Awarded at Banquet

### T. M. TAYLOR '22 PRESIDES

The annual M. I. T. A. A. banquet is to be held tomorrow evening at 6:30 o'clock in the main hall of Walker. The price is \$1.50 per man and tickets may be obtained today and tomorrow from 1 to 2 o'clock in the main lobby. Men who fail to obtain tickets may pay at the door tomorrow night. It has been found that quite a few men who are interested in athletics, especially men on the freshman and Sophomore baseball teams, have failed to receive invitations. These will be mailed today so that the men will have an opportunity to attend the banquet.

The program as a whole has remained unchanged with the exception that due to the small number of class numerals to be granted, they will not be given out at the dinner. Either Dr. J. R. Rockwell '96, or Dr. A. W. Rowe '01, will award the shingles and record cups while Major F. H. Briggs '81, will present the "T" charms. The winner of the Technique Cup will be announced by D. R. Linsley '22, and the Interclass Meet cup awards will be made by M. N. Waterman '23, the newly elected president of the M. I. T. A. A. T. M. Taylor '22, the retiring president of the Athletic Association, will preside at the dinner.

### Will Exhibit New Athletic Charm

All the members of the Glee Club and the Choral Society have been invited to the dinner. Many men have the idea that this is a banquet for the athletic element of the Institute, but the committee desires that any who are at all interested in the Institute athletics, whether they are participants or not, will attend the dinner. The speeches are to be short and interesting and will be made by the men who are giving out the awards just before they make their presentations. In order to save time, each team will receive its shingle awards as a group. All other rewards will be made individually.

During and after the banquet, the new minor sports charm is to be on exhibition and orders for the charm will be taken at \$2.00 apiece. The design which has been accepted is in the shape of an equilateral triangle with another smaller triangle and a "T" in the center. Around the faces will be printed "Minor Sports" and "M. I. T. A. A."

An orchestra has been secured by the committee to furnish music during the banquet. Following the athletic awards, the meeting will end with the singing of The Stein Song.

## TECHNOLOGY SCORE MORE THAN DOUBLED IN ANNAPOLIS MEET

### Poole Wins 100 and 220 in Hair Line Finishes with Marshall

### NAVY ATHLETES BREAK THREE FIELD RECORDS

### Hendrie Has Little Trouble Securing Five Points in Two Mile

### (SPECIAL TO THE TECH)

ANNAPOLIS, May 13—Technology was defeated by the Naval Academy track team this afternoon by a score of 86-23 to 39-13 in a meet which in spite of the one sided score was a fight right through to the last event.

The hundred yard dash seemed like a dead heat between Poole, of the Institute, and Marshall. The judges favored Poole and since Webster secured a close third the Engineers were off to a three point lead. In the next event, the 120 yard high hurdles, Navy's entrants took both first and second, with Ambach and Blodgett, on even terms behind the second Middle. Ambach was disqualified for knocking over too many hurdles and Blodgett scored Technology's lone point in the contest.

In the quarter, Bill Gurney carried the Cardinal and Gray in front until the last 50 yards, when Foss passed him with a very fast finishing sprint. The time was 51 seconds, and Bill was at the Annapolis man's shoulder when he crossed the line.

Elmer Sanborn followed his usual tactics of jumping into the lead at the very start of the mile. At the end of the first quarter the order was Sanborn, Curtiss, of the Navy, and Poor. Curtiss took the job of setting the pace near the half mark with Poor falling back to fourth. Sanborn stuck right to the Navy mile and returned to the lead for a short time, though Curtiss again went by him and began opening his advantage. Elmer was an easy second. The time was 4 minutes and 25 seconds.

Technology was shut out in the 880, though Snow travelled in the second position until the last twenty yards, in which two Academy runners flashed past him.

Bob Hendrie got a big hand from the Navy in beating Hurd, the record holder at Annapolis, over the two mile distance. Hendrie won by a third of a lap and was never worried. Flanders, of the Institute, was on Hurd's heels for the first six laps, but then fell back, scoring an easy third, however. (Continued on Page 6)

## CALENDAR

- Monday, May 15  
5:00—Meeting of Tech Show scenario writers, east lounge, Walker.  
7:30—Hexalpha smoker, north hall, Walker Memorial.
- Tuesday, May 16  
5:30—Varsity Club meeting, west lounge, Walker.  
6:30—M. I. T. A. A. dinner, main hall, Walker.  
7:30—Chauncy Hall Club smoker, Faculty dining room, Walker.  
8:00—American Association of University Professors meeting, north hall, Walker Memorial.
- Wednesday, May 17  
5:30—Catholic Club meeting, north hall, Walker.
- Thursday, May 18  
8:00—M. I. T. Math Club meeting, room 4-231.
