**T. E. N. Triumphed in Game Replete with Error Plays**

THE TECH won its annual baseball battle with T. E. N. on the Tech Diamond yesterday afternoon, trouncing the cohorts of the engineering journalists by an 18-16 score.

A plentiful supply of errors enlivened the game—and Jeff Burt and Kibby Turner, on their respective mounds, held each side to not more than a dozen hits in any one inning.

The line-up:

THE TECH	T. E. N.
Burt p	Tuner p
Gray c	Wardwell c
Schoenfeld 1b	Squibb 1b
Toll, Leighton 2b	Donovan,
Bond 3b	Johnston 2b
Murphy ss	Emerson 3b
Caldwell, Dorr lf	O'Brien ss
Ramford cf	Guerrero lf
Barrett, Fogg,	Petze cf
Cohen rf	Harmon rf

Score by innings: 1 2 3 4 5 6  
THE TECH ..... 2 4 0 1 3 8-18  
T. E. N. .... 4 2 4 3 0 3-16

**NEW ENGLANDS WILL BE HOTLY CONTESTED**  
(Continued from Page 1.)

nology and Sullivan of Boston College may catch the third and fourth men and place.

Clark and Darling of Amherst and Flahive of Boston College have all cleared six feet. They are certain to place. At present, Mullin of Boston College looks best for fourth place. In case he cracks, Merrill and Greenough of Technology and Jones of Brown will fight for the lone point.

Reid of Brown is the best broad-jumper in the New England colleges. Nolan of Boston College easily ranks second best to Reid. Other good jumpers who have a chance of placing are Dippel of Technology, Heap of Technology, Mendes of Williams, Kimball of Amherst, Pinkham of Maine, and Baucker of Wesleyan.

E. Bishop of Bowdoin has shown the best performance in the pole vault this season. West of Brown, Sheldon, last year's winner, from Technology, his teammate Stearns, Purvis from Brown, Darling of Amherst, and Maxwell of Wesleyan have all cleared 11 feet this year. Sheldon has an excellent chance of winning for the third time. He has cleared as high as Bishop in practice.

Bell of Boston College will win the shot put unless he blows. He blew last year, but seems to be steadier this season. Poland of Brown will have second place easily. Chutter of Vermont, Nimick of Technology and Connors of New Hampshire State will fight for the next two places. Behind the above, stand Tootell of Bowdoin, Cohen of Maine, Charles of Bowdoin, Case of Holy Cross, who are all very dangerous if any of the first group slip a trifle.

Tootell of Bowdoin will win the hammer throw with no trouble at all. Tonon, Dexter, and Osborne, all of Technology, should take the other three places. If one of the above falls down badly, Strout of Maine or Webber of Williams will place.

Clark of Amherst, Tootell of Bowdoin, Nimick of Technology, and Case of Holy Cross are of equal ability in the discus throw. It is anyone's choice to win. Luce of Bates, also, is a very good man. Becket of Williams, Connors of New Hampshire State, Charles of Bowdoin, and Drugan of Boston College will threaten the leaders until the competition is over.

There is no favorite to win the meet. Williams is strong in the sprints, middle distances, and hurdles. Boston College's strength is in the middle distances and the field events. Technology has a well balanced team, strong in all departments. These three colleges are about equal in strength. The college that wins will have men who do not give up the fight until the finish is passed no matter how poorly off they seem to be.

**ANNUAL M. I. T. A. DINNER LAST NIGHT**  
(Continued from Page 1.)

a point in dual meets counts two points; and each point in an interclass meet counts one point. This last provision was made to encourage the men to come out early for competition.

Dr. A. W. Rowe '01 Presents Cups

The award of cups to the winners of the Interclass Meet was made by M. N. Waterman '23, the newly elected president of the Athletic Association for the coming year. These cups are the gifts of alumni and undergraduate activities.

The final awards of the evening were the record cups which were presented by Dr. A. W. Rowe '01. The practice of awarding cups to the holders of Institute athletic records was a former custom which fell into disuse during the war. It has been revived by the Athletic Association and it is the intention of the Association to continue it. Several records were made during the period when cups were not awarded and the list of men awarded these cups included the holders of these records. Only one cup is allowed to any man but there will be inscribed upon it all the records which he makes in addition to his name and the date on which the record was made.

The shingles for the men who were absent from the meeting were placed in the hands of the manager or another member of the team and may be obtained from them.

Following the awards the meeting was ended by singing the Stein Song, led by S. P. McConnell '22.

The list of invited guests includes: D. F. Carpenter '22, C. E. Brokaw '22, H. F. Hunter 21, H. S. Ford, H. E. Worcester, S. P. McConnell '22, S. S. Townsend, Dr. A. W. Rowe '01, Dean H. P.
