John Hancock Said:—

(IN 1774)

"I HAVE ever considered it as the indispensable duty of every member of society to promote, as far as in him lies, the prosperity of every individual, but more especially of the community in which he belongs."

Life insurance is inseparably bound up with the prosperity of every individual, family and community. It is a secure and prosperous business and satisfactory to the salesman in every way.

The JOHN HANCOCK would like to interest a few ambitious men who graduate this year to make JOHN HANCOCK selling their life work:

Statistics on college graduates who have entered life insurance place it at the very top as a source of income. Before making a decision as to your career it would be well to make inquiries of the "Agency Department."

INSTITUTE COURT MEN TIE HARVARD TEAM

(Continued from Page 1.)

times. Holmes made brilliant pickups and some good overhead shots. He had little trouble placing.

Harvard Ties by Last Doubles

In the last doubles engagement between Tremaine-Hobbs and Guild-Holmes the former pair had match point in their favor a couple of times, but could not pull through. The Guild-Holmes combination had the goods on them. Harvard's win in this brought the score even up.

The Institute squad travels to Amherst Friday and Columbia Saturday where the four regulars, Captain Scott, Dick Carver, Lyman Tremaine, and Louis Hobbs take on the collegions and the university in four singles and two doubles matches. The Intercollegiate begin the Monday following lasting for three days. The squad's showing in matches played this season entitles it to a good chance to come out on top in the Intercollegiate. Carver especially has been performing well and will no doubt make a good bid for the title this year.

The summary:

Singles
K. S. Pfaffman (H.) defeated Captain W. R. B. Scott (T.), 2-6, 3-6, 6-3.
Roger Carver (T.) defeated G. Guild (H.), 6-3, 4-6, 6-4.

L. L. Tremaine (T.) defeated R. Bradley (H.), 4-6, 3-5, 6-6.
P. Holmes (H.) defeated L. H. Hobbs (T.), 6-3, 3-6, 6-2.

Doubles

Captain W. R. B. Scott and Roger Carver (T.) defeated Captain M. Duane and K. S. Pfaffman (H.), 6-3, 7-5.

P. Holmes and G. Guild (H.) defeated L. L. Tremaine and L. H. Hobbs (T.), 1-6, 6-1, 7-5.
Score: Tie at three matches each.

Institute Golfers to Play Harvard Today

The Institute golf team after getting off to a good start last Saturday, beating Williams 4-2, will play Harvard on the Brae Burn course this afternoon. Technology will be represented by four of the men who handed the University a 9-0 defeat last spring, Captain Henry Schley, Malcolm Johnson, Franklin Clement and Jonathan Ballard. Russell Conant and Benjamin Harris, Jr., will also play for the Cardinal and Gray.

Harvard has beaten the Columbia golfers by a 7-2 score this spring and lost to the Princeton team in a contest that was well played on both sides, by a count of 5 to 4. The Williams' victory has been the only Engineer match to date.

VARSIITY CLUB LOSES

The novices and ineligible of the Technology track team defeated the combination representing the Varsity Club on Tech Field Saturday afternoon. Billy MacMahon won both the mile and the half for the novice ineligible outfit and Al King travelled the quarter in 53.25 seconds for a win.

THIRD INTERCLASS BALL GAME CHANGED TO FRIDAY

The third game of the freshman-Sophomore series, which was to have been run off this afternoon, has been postponed until Friday to give the respective pitchers a better chance to recuperate from the results of the last twelve-inning struggle. Ed Ingram surely showed the goods in the game last Saturday when the frosh evened up the series by taking the game with a lead of a single run after twelve hot innings. The Sophs have been showing their worth pretty consistently all season, and Earle Bates' nine are going out to make a scalping Friday.

Technology Marksmen Wallop B.U. Champions

The Engineer rifle team clinched its victory over the B. U. squad with a second win last Saturday at the Wakefield range, the match being a long range affair, at three and five hundred yards. The score of the Technology marksmen was 378, while the best B. U. could do was 365. The scores were generally good, and several 48's and 49's were turned in. This finishes the outdoor season for the Beavers, who rate 100 per cent victories for the year, having defeated the strong Norwich team earlier in the season. Norwich was one of the few to administer defeat to the Engineers during the preceding indoor season.
