

Both Sophomores and Freshmen Anxious to Take Lead by Winning Third Interclass Game Today

This afternoon will mark another big day in the history of baseball at the Institute, when the freshman and Sophomore nines face each other with a scrappy attitude and a big determination to win. One win apiece in the series has brought the fighting spirit of both teams to the surface, and the threat of the frosh to repeat the last victory has aroused Earle Bates' nine to a point where they will go far to turn the tables and make up for the twelfth inning defeat of last Saturday.

Both Nines Have Worked Hard

The two teams have been on the diamond pretty steadily until cut off by yesterday's rains, and the day's

rest has only served to bottle up some spare enthusiasm for this afternoon's game, which gives promise of being a hot one all the way through. **Sophs Have Tough Game Monday** Monday afternoon the Sophs run up against one of the fastest nines representing any army corps in this vicinity, when the Fifth Infantry nine, recently returned from France and now stationed at Devens, comes here to tackle the best that can be found. The service nine has a long list of victories to its credit, both in games played in France with other army nines, and in games since their return. In the face of an aggregation of this kind the Sophs will have their mits full to come through with any kind of a creditable showing.

Boston College's decisive win in the Eastern Intercollegiate Saturday is the third straight for the Maroon and Gold and this year B. C. is hoping to break through into the championship class in the New England Meet. Whether it is possible or not remains to be seen on Saturday but it is plain that the big fight will be between B. C. and the Engineers, with the rest of the field scrapping for lesser honors.

For the last five years Coach Kanaly's charges have brought back to the Institute the New England track and field title but it's by no means settled that Saturday's meet will make it six straight. The clash at Worcester ought to be one of the most keenly contested in the history of the association.

Bowdoin won the championship of the state of Maine last week with Bates, U. of Maine, and Colby trailing in order. It will take a more powerful combination to affect the outcome in the New England, however, than Bowdoin had in action although the northern meet gave some illuminating information about individual stars. Butler of Bowdoin took the century in 10:1 while Lawrence of Maine ran a 51 quarter.

The redoubtable Raymond Buker, the Bates distance star, naturally gathered five points in the two mile but his time of 9m. 45.1 sec. was 4 and 3-5 seconds slower than Bob Hendrie's at Annapolis. This argues well for a hot battle in this event Saturday but does not put the odds in favor of the Engineer harrier leader. Rather the other way in fact for Ray Buker was clocked in 9m. 35 sec. at the Penn Relay and there is no reason to believe he has weakened since then.

Buker has his admirers who claim that the record will be endangered by this star but since the mark is as low as 9m. 18sec., it is not likely. His past achievements, however, do mark him as more than a match for Bob Hendrie though the latter will surely push him to the limit for a win.

New Hampshire State neatly trimmed Boston University last Saturday but the dual meet uncovered no particular stars in the ranks of the White

FRESHMEN TENNIS TEAM SUCCESSFUL IN EXETER MATCH

Outplay Academy Courtmen on Their Own Courts by 4-2 Score

The '25 tennis combination traveled to Exeter Wednesday and defeated the prep squad by the score 4 to 2. The yearlings lost one singles and one doubles match. This is the first time the frosh have ever trimmed the academy in tennis.

Frosh Captain Defeated

Captain R. H. Miller, who was elected Saturday to lead the frosh squad, met with the lone singles defeat. He had a hard time getting started, losing the first set of his match by a love score. In the second he worked his way to a 4-5 count, but had to give away to Smith who took it 6-4.

E. R. Harris, another yearling comer, had no trouble in disposing of Pitman, the prep school's number two man. Joe Russell also made a good getaway against Perkins, winning in straight sets 6-3, 8-6. J. K. Peck disposed of Collins easily 6-2, 6-2.

First Doubles to Exeter

The first doubles combination, Smith and Ross of the academy, had the goods on the cub pair, Miller and Harris, at all times. The latter drew the short end of a 6-3, 6-2 match.

Joe Russell and J. K. Peck, on the other hand, let Collins and Pitman take the first set of their doubles duel. Then the yearling duet easily captured the match by taking the last two sets 6-0, 6-4. The score:

Singles

Smith (E.) defeated Miller (T.), 6-0, 6-4; Harris (T.) defeated Pitman (E.), 6-3, 6-3; Russell (T.) defeated Perkins (E.), 6-3, 8-6; Peck (T.) defeated Collins (E.), 6-2, 6-2.

Doubles

Smith and Ross (E.) defeated Miller and Harris (T.), 6-3, 6-2; Russell and Peck (T.) defeated Collins and Pitman (E.), 4-6, 6-0, 6-4.

A stage is part of the equipment and there will be dressing rooms so that the allegory which has been written will be presented. As the tent holds 2500 it will be possible to allot at least two tickets to each man.

Bishop Lawrence has succeeded in arranging his appointments so that he will be able to address the class on Baccalaureate Sunday. Every attempt is being made to bring out members of the Faculty in addition to the class for this event.

Every blanket ticket placed on sale early in the week was sold and it was necessary to establish a waiting list. Prices on individual tickets are: tea dance, \$1.50; picnic, \$2.50; dinner, \$2.50, and Pops, \$1.50.

PROMINENT TALKER FOR SPEAKERS' LAST MEETING

Mr. John Rothchild's Subject Is "Why a Student Forum?"

The last meeting of the Speakers' Club for this year will be held next Monday, at 5 o'clock, in the Walker Memorial. At this meeting Mr. John Rothchild, secretary of the National Student Forum, will speak to the members on the subject "Why a Student Forum?"

Since this is the last meeting of the year, it is planned to have every member bring to the meeting some other person whom he feels might be interested, so that the club may have a larger membership next year. Following Mr. Rothchild's talk an open discussion of the subject will be held by those present.

The Board of Direction of the Speakers' also wishes to announce the election of Mr. M. R. Copithorne of the department of English and History as Associate Member of the Club, due to his active aid in its formation.

The place for this meeting in Walker has not as yet been fixed, but it will probably be in one of the lounges.

Golfers Loses Match With Harvard, 7-2

Captain Henry Schley Makes Best Score Turning in a 76 Total

The Institute golfers lost to Harvard University by a 7 to 2 score on the Brae Burn course Wednesday afternoon. Though the Crimson players demonstrated rather close superiority over several of the Engineers, three of the games went to the eighteenth hole before a decision was reached. Captain Henry Schley, of Technology, defeated Captain Sonny Baker in one of the most interesting matches of the afternoon, taking seven straight games from the University leader. Schley's score of 76 was the lowest of the afternoon's play.

Abbott Johnson, one of the Institute veterans, piled up a big lead over his opponent, Williams, but the Harvard man came back with some excellent golf and won the match, one up. Eaton had a good deal of trouble defeating Fritz Clement, another of the Engineer dependables last year, two up. Jonathan Ballard and Captain Schley outplayed Baker and Jones by a 4 to 2. Ballard's drives were going to a better distance than is common and with Schley showing the sort of golf which took him around the course in 76, the Harvard pair faced a hard task.

Johnson scored an 81 for the Technology team and so did Ballard. The best players for the University were Jones, Williams, and Clough.
