The Service Corner

A Scott Specialty In Student Suits

A SIRGE for service a serge suit will stand up and wear well when worn as an ordinary Tweed or Chieftain would be hopelessly dowdy.

And, indeed, apart from its service point of view, it's the greatest of all utility suits. What a business suit has its semi-social value!

Fine worsted Serges, various weights, priced 50c to 865. Direct from our own mills. Ready-to-Wear

FOR PURE WATER

CONCENTRATED FILTER ALUM

Our 22% Al₂O₃—75% Aluminum Sulphate—because of its strength—renders a complete solution of the most difficult filtration problems, at a particularly nominal cost.

It is especially made for use where conditions of low alkalinity and high turbidity prevail.

It removes all vegetable matter and diminishes bacteria.

We also make 17° alum, for use in mechanical filter plants.
