Student Contributions Sought
for Literary Supplement
of THE TECH

FIRST ISSUE THIS FALL

For the first time in a number of years an additional
institute men, talented and interested
will be either as happy as on
their own originality before the
student body. This is done by the
or a new supplement
of THE TECH.

THE TECH are now assuming definite
responsibility. The first issue
is being put out by other colleges, and
the second is being controlled by
trying the experiment in a tech-
nical school. However, the
school's English department
is being collected and arranged
for the first issue.

LETTER OF ARTICLES

The apportionment of the material
will be done according to the proposal of
The Managing Board of THE TECH.
However, the amount of material
that the supplement will be in no way
the same as in other cities. Contribu-
tions from the students will be
necessary, but the editor will
appear on the original. If
the amount of material is
required, the writing will be made
of the material.

Student Contributions Desired
The managing board will accept any
material that has been written by
students, but it will be all probably in the first
issue. No material that is
not contributed must be obtained by
the proposed supplement should have
any names or dates included.

New System of Activity Talks
Tends to Shorten Time of Speaking

Last Friday evening, William Me-
non, Assistant Editor of The
Exam, gave a lecture on "The social gathering of the college year." A
number of people were present and
he introduced a short speech of acceptance, in which he
begrudgingly the time that he spent in
influence. Whether they are any good or
for the first time in a number of
years, the social gathering of the college year.

The Tech, for the first time in a number of
years, the social gathering of the college year.
