

MUSICAL CLUBS READY FOR INITIAL CONCERT

To Appear Tomorrow Night at Franklin Square House as Customary

FINAL CUTS MADE

According to the custom of past years the first concert of the Combined Musical Clubs will take place at the Franklin Square House tomorrow night. The last cut among the men has been made and those surviving will be the ones to appear before the patrons of the hotel for ladies on West Newton St., Boston.

The program for the evening has been released by the management and appears as follows:

1. Invictus.....Glee Club
2. Battleship Connecticut
Banjo Club
3. Vocal Solo.....C. A. Thomas
4. Moonlight Fancies
Mandolin Club
5. Sweet and Low.....Glee Club
6. Banjo Duet.....Decker and Cook
7. Serenade.....Mandolin Club
8. Xylophone.....George Rupert
9. Rastus on Parade.....Banjo Club
10. String Quartet
11. Ole Uncle Moon.....Glee Club
12. Isle of Zorda
Chicago.....Jazz Band
13. Stein Song.....Combined Clubs

The following men have been retained on the Musical Clubs. This last cut will probably be final before the clubs annual Christmas trip.

- Banjo: E. J. Bidwell '26, W. W. Bray '26, D. S. Cunningham '26, P. C. Davidson '24, C. E. Ecker '24, S. R. Evans '23, A. C. Fuller '26, G. C. Gillette '26, J. R. A. Hobson G. J. M. Keck '23, B. A. McKittrick '23, Raymond Mancha '25, C. C. Marble '23, E. H. Miller '23, Charles Rich '26, J. P. Sawyer '25, D. A. Shepard '26, William Stevenson '23, J. J. Grabfield '24, R. E. Dorr '24, L. A. Foster '26, F. D. McGinis '23, E. P. Nowlen '26, and G. P. Rupert '25.

No Sign-ups for Fall Concert

Those retained on the Mandolin Club are: D. A. Shepard '26, P. C. Davidson '24, G. F. Cook '23, J. G. (Continued on Page 2)

NEW HONORARY MILITARY FRATERNITY ESTABLISHED

A local honorary military fraternity has been established at the Institute, the purpose of which is to promote the feeling of fellowship among the student officers in the advanced R. O. T. C. through its social and fraternal activities. The membership of this new fraternity is to be taken from those men who have been given officership.

The following are on its rolls of active members:—E. A. Adams '23, H. L. Flather '23, F. R. Hereford '24, R. L. Hershey '23, G. F. Hooke '24, D. E. Moore '24, P. C. Smith '23, H. H. Spencer '23, F. B. Stevens '23, and W. A. Thomas '23. Major Purney of the Military Science Department is an honorary member of the fraternity.

NOVEMBER VOO DOO WILL APPEAR NEXT THURSDAY

Cover Design of Girl's Number Now Decided

The cover for the Girl's Number of Voo Doo has been selected. The announcement of the prize award for the best cover design will not be made until the appearance of the issue. There were 18 designs submitted, 12 of which were regarded as acceptable. From these 12 the final selection was made. A quantity of art material has already been received for the inside cut work, as well as an abundance of literary contributions.

The November issue will be placed on sale next Thursday, and a subscription drive will be launched. Voo Doo offers the remaining seven issues at an out side subscription for \$1.50.

Art Editor, H. B. Kane '24, wishes to unearth a number of new men for his department. Freshman candidates are particularly desired. Those interested may make appointments to meet the Art Editor by first seeing Miss Ohlund in the Voo Doo office.

DR. UNDERWOOD GIVES TALK ON YELLOWSTONE

Dr. A. M. Rhibany Speaker for Next Luncheon Meeting of Faculty Club

Dr. W. L. Underwood '98, of the Department of Biology and Public Health gave an illustrated talk last Friday evening in room 5-330 before the members of the Faculty Club and their wives. This was the first "Ladies' Night" held by the Faculty Club.

The topic of the lecture was "Adventures of a Sage Brush Tourist in Wyoming." It was illustrated with a large number of slides showing views of geysers, hot springs, and wild animals of the Yellowstone Canyon. These slides were made from photographs taken by Dr. Underwood on a recent trip through the Yellowstone. The slides were also hand colored by him.

On Wednesday, November 15, there will be a Faculty Club luncheon meeting in north hall, Walker, at 12 o'clock. Dr. A. M. Rhibany, a minister of Syria, will give a talk at this meeting on the subject "Problems of the Near East." Dr. Rhibany was formerly in Paris in connection with the Treaty of Versailles, and has only recently come from there.

PLANS COMPLETED FOR COMING JUNIOR DANCE

Class Affair to Be Informal—Will Run from 9 till 1 O'clock

Plans for the coming Junior Class Dance, which is to be held in Walker Memorial on November 24, are now brought to completion with the announcement of the list of matrons for the affair. Those who have signified their pleasure in accepting the honor are Mrs. R. P. Bigelow, Mrs. L. M. Passano, Mrs. E. F. Langley, and Mrs. W. M. Ross. The dance is to be informal, and will run from 9 to 1 o'clock, music being furnished by Mory Pearl's Orchestra.

The price has been set low by the committee, the \$2.25 a couple being just enough to cover the expenses if the class cooperates in the taking up of the remaining tickets. If the tickets are not taken up by members of the class by next Wednesday, however, the committee will be forced to offer the tickets for sale to men of other classes, thus lessening the exclusiveness of an All-Junior dance. The tickets have been going well thus far.

The committee from which the pasteboards may be purchased is as follows: T. F. Bundy, C. L. Dunn, B. A. Cushman, R. T. Lassiter, W. H. Robinson, Jr., and E. S. Bates.

MERRIMAC CHEMICAL IS VISITED BY CHEMICALS

Men Twice Conducted Through Woburn Plant

Last week the Chemical Engineering Society conducted two trips to the Woburn plant of the Merrimac Chemical Company, the first trip taking place on Monday and the second on Wednesday. Although plans had been made to limit each trip to 20 members, 24 members were taken both times.

The members had a chance to thoroughly inspect the plant. They saw the production of sulphuric, nitric, and hydrochloric acids from start to finish. The Merrimac Co. employs both the chamber and contact processes in the manufacture of sulphuric acid. The members also had an opportunity to see the Course XA men stationed at this plant. The parties were guided through the establishment by officials of the Company.

PROF. WARNER ADDRESSES AERONAUTICAL SOCIETY

All students interested in the Aeronautical Engineering Society are invited to attend a smoker to be given by that society next Wednesday in room 5-330, at 7:30 o'clock.

Professor Warner of the Aeronautical Department at the Institute will address the students on "Aeronautical Developments in Europe." Motion pictures of the Technology glider in action in France will be shown.

RED CROSS TO INAUGURATE DRIVE FOR SUBSCRIPTIONS

Starting tomorrow in the main lobby the Intramural Committee will launch its drive for membership in the American Red Cross. This drive will last but two days, starting tomorrow and ending Wednesday evening. This evening the Dormitories will be canvassed by a group of Seniors while a committee composed entirely of Juniors will do the canvassing tomorrow and Wednesday in the main lobby and corridors.

The committees in charge of this campaign are desirous of making it even more successful than the campaign conducted by the T. C. A. about a week ago. All contributions made to this campaign will be turned over to the American Red Cross. They hope that the men here at Technology will remember the work done by the Red Cross in the Near East and during the World War.

UNITARIAN MEN CAMPAIGN FOR SOCIETY MEMBERSHIP

New Head to Be Chosen at Clubs Initial Meeting

A meeting by the Unitarian students of Technology tomorrow will be the opening of a membership drive for the Unitarian Club. All Unitarians in Technology are invited to attend this meeting in the Faculty and Alumni dining room, Walker Memorial, at 4 o'clock.

The Unitarian Club of Technology is one of the 275 chapters in the various colleges throughout the United States. The purpose of this first meeting is to give the new Unitarian students an opportunity to become acquainted with their fellow Unitarians and to lay plans for future social functions. P. P. Pratt '23, former president of the organization has resigned so an election of a new president will take place.

Among the speakers for the afternoon will be Mr. Rhodes and Mr. I. B. Stevens. Mr. Stevens, an active worker for Unitarian organizations in and about Boston, will address the men on a history of the Laymen's League.

SPEAKERS CLUB ATTAINS FULL MEMBERSHIP LIST

"The Problem of Tech Night" Discussed Tuesday

Membership in the Speakers Club is now closed. The directing board of the club announces that the membership list of 25 has been reached and the number will not be increased beyond this limit.

The entire club is now taking a course in public speaking, given by Mr. H. T. Cahill, who is well known through his classes in public speaking at the Boston and Cambridge Y. M. C. A. He also has a class of 250 business men in Tremont Temple. Mr. Cahill instructs the Speakers Club every Tuesday afternoon at 5 o'clock in the Faculty and Alumni room of Walker Memorial.

"The Problem of Tech Night" is to be the subject for discussion at the next meeting, tomorrow afternoon at 5 o'clock. Each man is instructed to bring in a complaint against the order of the universe, anything may be criticized. The one condition on the criticism is that it will be constructive.

CHAUNCY HALL CLUB GETS UNDER WAY FOR SEASON

Next Friday evening at 7:30 o'clock the Chauncy Hall Club will begin its activities by holding a smoker in the Faculty and Alumni room, Walker Memorial. All men at the Institute who have attended Chauncy Hall are invited to attend. Those students who came over to the Institute this fall are especially urged to be present. The speaker of the evening is not yet chosen. Mr. Kurt, principal of Chauncy Hall, will address the meeting.

MASQUE SHOW TRYOUTS

Tryouts for the Masque show will be held in the east lounge of Walker Memorial at 5 o'clock tomorrow. The Tech Show management encourages all men who possess dramatic talent and who have not been on previous Tech Show casts to come out.

1926 NOMINATIONS DUE IN ROOM 10-100 TODAY

Nominations for class officers of the freshman class are due today in room 10-100 before 1 o'clock. The office will then be closed. Quite a few nominations have already been turned in. The officers that are to be elected are: President, Vice-President, Secretary, Treasurer, two members of the Executive Committee at large, and two delegates to the Institute Committee.

All nominations must be turned in on a certain form, a copy of which may be obtained from the T. C. A. handbook. It must bear the signatures of ten members of the freshman class and that of the nominee. The balloting will take place on Thursday, November 16. The place will be decided as soon as possible.

CORPORATION XV TOURS SHOE PLANT WEDNESDAY

Movies of Transportation in America Shown in Room 5-330 Tomorrow

Members of Corporation XV will have the opportunity of making an inspection tour of the Thomas G. Plant factory on Wednesday, November 15. This plant, which manufactures Queen Quality shoes for women, is one of the largest of its kind. 5000 men and women are employed, and 17,000 pairs of shoes are turned out every day.

The factory has several modern features, such as automatic stokers and artificial daylight. Hospitals, recreation rooms, and dining service are maintained for the benefit of the employees. The amount of leather used daily in the form of skins at this plant would make a column four miles long.

Corporation XV shows Movies

Members who wish to take this trip will meet in the main lobby at 2 o'clock. The plant is reached by taking a Dudley car, and changing to a Jamaica car at Massachusetts station, which goes directly to the factory.

Under the auspices of Corporation XV a film entitled "The King of the Rails" will be shown tomorrow in room 5-330 from 4 to 5 o'clock. These pictures show the evolution of transportation in America, from the Indian squaw with her papoose on her back down to the great electric locomotives of the present time. Every one who is interested in seeing these pictures is invited to attend.

SEASON'S SECOND DORM DANCE ATTENDED BY LARGE NUMBER

Shortly after 8 o'clock last Friday evening, the Musical Clubs' Jazz Band struck up "Send Me Back My Honey Man," and the second Dorm Dance of the season was under way. It was composed of twelve dances, and lasted until 12 o'clock.

The usual novelty features were present. At the beginning of the eighth dance E. H. Miller '23, chairman of the dance committee, announced that a 2-pound box of Page and Shaw's chocolates would be presented to the girl standing nearest some spot when that dance ended. This so-called "dormitory spot dance" is a general feature of Dorm Dances, for it has been held at both of this year's dances. Lolly-pops were distributed, and for some time half of the dancers were made miserable. However, the candy was soon disposed of.

The patronesses for the dance were Mrs. L. M. Passano, Mrs. R. T. Pendleton, and Mrs. J. R. Jack. Five men from the dormitories acted as ushers: F. D. Abern '23, A. D. Carothers '25, A. L. French '26, K. A. Kinch '23, and J. S. Piland '24. The committee was: E. H. Miller '23, R. T. Lassiter '24, H. M. Tracy '24, and M. L. Hild '24. The next Dorm Dance will be held December 8, and will be a Christmas party. Plans are already under way for a number of holiday features.

MATH CLUB DISCUSSES FINANCIAL PROBLEMS

At a meeting of the Math Club held last Thursday evening, Dr. J. S. Taylor spoke on Capitalized Cost. Dr. Taylor told of the part which mathematics plays in finance, and explained annuities. He took for example the amount which should be laid aside yearly in order to have funds to paint a house every twelve years, and showed how this amount is determined.

Y.M.C.A. RECOGNIZES T.C.A. CONTRIBUTIONS

Receipt of Recent Drive May Be Used for Full Value for Membership

FINAL TERMS REACHED

For some time there has been a discussion with regard to the use of membership cards in the Technology Christian Association as membership cards in the Boston and Cambridge Y. M. C. A.'s. Now a final agreement has been reached, giving students credit for any amount, up to the regular membership fees, that they have contributed in the recent finance campaign at the Institute.

It was found that T. C. A. members formerly were getting membership privileges for which they paid nothing, so that the practice of this had to be stopped. The suggestion that money contributed in the finance campaign here be credited as part or all of the membership fees was made by Mr. A. W. Alley of the Boston Y. M. C. A. and students may now receive credit up to \$3 at the Cambridge Association and up to \$5 at the Boston Association by presenting their contribution receipts.

Attending Conferences

The following addition has been made to the statement in the Cambridge Association's handbook regarding this matter of card recognition: "Our ad in the Technology Handbook says that T. C. A. membership will be honored in lieu of our membership. In view of this statement, it is evidently incumbent upon us to continue for this year our policy of recognizing T. C. A. membership tickets. Therefore any man who presents a T. C. A. ticket without regard to what payment he may have made for it must be given the same privileges as any man who presents one of our own membership tickets. This exception will, however, be ineffective after July 1, 1923."

Wallace M. Ross, General Secretary of the Technology Christian Association, left last week-end to attend a group of conventions in New York and Atlantic City. The National Convention of Student Y. M. C. A.'s was held Saturday and yesterday at the University of Pennsylvania and today there will be a meeting of the Association of Student Secretaries there. Mr. Ross is one of two representatives from New England.

Tuesday he will be at the Tri-Annual Convention of all the Y. M. C. A.'s and at the meeting of the New England Field Council, both at Atlantic City. These conventions are all for the discussion of methods and policies to be followed in the various fields covered.

ARSENAL TRIP PLANNED BY MECHANICAL SOCIETY

A trip to the Watertown Government Arsenal by the Mechanical Engineering Society has been arranged. It will take place Wednesday, November 15. The members going will leave the information side of the main lobby at 2 o'clock. The only requirement for attendance on this trip is that all men must be American citizens.

CALENDAR

- Monday, November 13
