

INTERCOLLEGIATE INDOOR TRACK MEET WILL BE HELD MARCH 3

Swimming Time Trials Show Improvement of Team Says Herb Holm

The swimming time trials that were run off yesterday afternoon from 4:30 to 5:30 o'clock, showed, according to Coach Holm, that the team is coming along in pretty good shape, with a prospect of developing winning form. The trials are to be the determining factors in the selection of the team. Stewart, Nauman, and Ferguson, breast stokers, showed up quite well with their long, otter-like pull that doesn't give the least show of speed, but gets there in an amazingly short time. There are four veterans, Palmer, Marsh, Dunn, and Taylor held over from last year's 50 yard squad, and of these, Taylor and Marsh clove the water at top speed, the former doing the 50 in 26.4.

In the 220, Evans, Brown, and Oxnard are competing, while the back (Continued on Page 4)

Again Select N. Y. Armory as Scene of Indoor Contest

The Indoor Track Championships of the I. C. A. A. A. will be held in the 102nd Street Armory, New York City, on March 3, it was decided at the meeting of the association held shortly after the cross country run last Monday. Last year's title indoor meet was held in the same armory, and the \$3600 track built last winter will again be used.

Bids for the meet were made by Buffalo, Baltimore and New York. There was considerable discussion favorable to Buffalo but when a vote was taken, it was practically unanimous in the choice of the location of last year. New York is more central, there are considerably better chances for publicity, and the gate receipts are very much larger. In addition to these factors the excellence of the new track undoubtedly influenced the election.

Faulty Details Improved

A committee was appointed to improve several of the details which were found faulty last March. There will be better accommodations for the visiting athletes, the shower baths are to be enlarged, and more satisfactory jumping pits have been promised. The program is expected to be regular, although a decision in regard to the throwing of the 35 pound weight has been postponed until a meeting scheduled for January 4.

Three new college records were passed, two of them in the high jump and another in the 100 yard dash. Leroy T. Brown, of Dartmouth, had his mark of 6 feet 4 5/8 inches in the indoor high jump, and also his outdoor leap of 6 feet 4 3/4 inches officially recognized. Alfred Leconey was accorded the 100 yard championship. The Lafayette speedster clipped the century time to 97-10 seconds in the Stadium meet last spring. It was decided that although a record would be recognized if made on the new one-tenth second basis, both the old and new holders names would be printed in all the association publications. This is just to the men who were timed on the one-fifth second watches, since their performances may have been as good as those now recorded as one-tenth of a second faster.

Dividend of \$5000 Declared

Over \$20,000 was made in the championship meet last May and a \$5000 dividend has been declared. Technology and Harvard received none of this since they are both located in Cambridge. The amount of dividend received depends upon the number of men taking part, and the distance from which they had to be brought. At least ten athletes must be entered. Bushnell, former graduate manager of track at the University of Pennsylvania, is compiling a volume of records of the last five years. A new ruling is that the winner of first place in an event held for the first time will be given the record, but not a record holder's medal.

James B. Wyman, Princeton manager, was in charge of the meeting. He was at Technology during his freshman year and was in the same section with George K. Vose, Tiger cross country manager, who also spent his first college year at the Institute.

Save Wolf from Ice

There seems to be a good weather prophet in the crew management somewhere for the coaching launch "Wolf" was literally snatched from the icy waters of the Charles before the snow fall Monday night. With Pat Manning in charge of a husky gang of managers, the work of hauling out took but little time and the boat now rests peacefully in the boat house for the winter's stay.

Mile Relay May Race Yale at Millrose Meet

Manager George Swartz, of the track team, announces that arrangements are being made for a 440 yard relay race with Yale, at the Millrose games in New York on January 14. While in New York Swartz was speaking to the manager of the games, and suggested Yale, when asked whom Technology would like to meet. It is thought probable that the contest will be run.

Elmer Sanborn has been invited to enter the famous Rodman Wanamaker mile and a half at this same carnival, and it is expected that Bob Hendrie will also be asked to run.

The Rifle Schedule

Technology's tentative rifle schedule follows:

- Jan. 13—New Hampshire State
- Jan. 20—Princeton University of Maine
- Feb. 3—Drexel Institute University of Maryland
- Feb. 10—Boston University N. R. A. Georgetown
- Feb. 17—Harvard N. R. A.
- Feb. 24—Univ. of Pennsylvania N. R. A. Univ. of Washington
- Mar. 3—Yale N. R. A.
- Mar. 10—University of Oregon Chicago University
- Mar. 23—John Hopkins Carnegie Tech
- Mar. 31—University of Iowa
- Apr. 7—Lehigh Worcester Polytechnic
- Apr. 14—Michigan Aggies McGill University
- Apr. 28—Iowa State
- May 5—University of Oxford

Stage Demonstration of Basketball Rule Innovations Tonight

The Eastern Massachusetts official board of basketball officials is in charge of a demonstration game and interpretation of the new rules meeting, which will be held in the Hemenway gym, at Harvard, tonight at 8:15 o'clock. Coach Byerley has suggested to all the basketball candidates that they attend since there have been several changes made in the rules, and the demonstration tonight is expected to be thorough enough to give everyone a clear idea of how the game is to be played this winter. The program will begin with a game between two teams, selected by Coach Wachter, of the Harvard squad. Between the periods and after the contest, questions will be answered by (Continued on Page 4)

FIRST ROUND OF WRESTLING ELIMS DUE NEXT WEEK

Organized Competition to Give Coach Burns Line on Candidates

The first series of elimination bouts for the wrestling candidates are due next week. The results of these contests will not be final, but Coach Cyclone Burns will be able to determine the standing of the candidates more thoroughly than he is now able to. Practice struggles are being staged every afternoon in the wrestling room, but a more organized set of combats is necessary to give the coach an accurate idea of the calibre of the competitors.

Harry Bruner, the veteran and New England champ, is not going to have things his own way in the 115 pound class. He is quite certain to bump into some pretty stiff opposition in his fight with Loubriel, and Taylor is another contestant who has been showing ability. Harte, of last year's freshman team is doing very well in the 125 pound division and seems to have the edge on his opponents.

Many Good 135 Pounders

The brawl for the 135 pound berth promises to be one of the hottest of the series. Vaughn Weatherly, of last winter's winning combination, Hazeltine, also varsity material, and Cohon, who is also doing some boxing, are all in top form and should put on several interesting bouts. Pike, who managed the team a year ago, is able to take a vigorous hand in the game himself and might have done so last season if Captain George Butler had not been filling the 145 post so efficiently. With T. O. Richards, it seems probable Pike will have his hardest contest.

In the 158 pound group, Halliburton and Brugman seem to have the upper hand. Captain Hereford will not wrestle in this series. Walt Kennet will meet all comers in the 175 pound class, and Heath, Coleman and Deeds will take part in the unlimited eliminations.
