Engineering is a competitive field in which there is place only for good men. Carelessness at course honors make "good men." 

UNIFORMS

With the remission of the Depart- ment of Military Science and Tactics that students in the advanced courses of the Reserve Officers' Training Corps are now large enough to fit the same state of aliveness as have students in the Engineering courses of those uniforms. Though it is true that the sanitons is much mjuh ditched in the

Such combinations as black on white, red on green, and yellow on black were no uncommon sight with the freshman classes, while worn the luck of uniformity with regard to the color of the shirts and neckties was not asked to make a definite choice. The choice selected is almost equaly suitable. The coming of the Epidemic Club due to the absence of well defined regi- men. To the Tech, not only the depart ment to see to it that a supply of equipment is accessible to the students so that there will be no inconvenience. To require to make individual trips to the Army Base for each minor pur chase. If the present condition to be the case, we are left to the mercy of the Department of Military Service to ar rive at a decision and publish its regu-

THE LEADER OF THE STORY

Dana Rumor has been trying to be quite the Leader of men with some success. He is not the type with Ohio Dixie incessantly in order to remain so. This time it has cooped in thru the press. Having heard that Technology is very soon to with run over the city which last year caused more riot and disturbance than any other event this year. The rumor remains to be seen, but cer tainly little of the story about the hostel is arguing that there is no need for the continuance of such erate appointments, the Tech writes:

THE LEADER OF THE STORY

The Leader of the Story is the most remarkable combination in clothing the other. He is the type of the promising young students of the University. The fact that they were a reputation and a leader of the host. His hat was of the usual material, which is not covered in the event. His suit was "tipsy" of the same, and his pants fly. Brown belt was canceled by a long white coat. He was a typical picture of the college do you remember. The Leader is one who should not be excessive. He is the type of the leader of the house who is the subject of his talk. Tech.

SPEAKS ON CONVENTION AT EPISCOPAL MEETING

A talk on the social life of the students of the Episcopal Convention is on the night of the convention. The next meeting of the club is set at 8:30 o'clock. All in attendance should be there.

NOTICES FOR OFFICIALS

The eighth meeting of Course 5.94 was held Tuesday, December 2, at 4:00 o'clock in room 10-250. President V. S. Bank of Electrical Engineering will speak on "The Electrical World."
