INDUSTRIAL SERVICE TALK GIVEN BY RINDGE

Professor A. B. Kinsey gives lecture Friday

Talk on Oxygen Accompanied by Demonstration

A lecture on the subject "Oxygen—the Wonder Worker," will be given at a joint meeting of the Mechanical Engineering, Physics and Chemistry Societies, in Room 207, on Friday, December 15, at 7 o'clock. Professor Kinsey is an authority on oxygen and by means of an apparatus designed by himself will give a short talk on the subject. Many members of the Chemical Society visited Lever Brothers manufacturing plant on September 7, 1922, and saw how soap is manufactured on a large scale. Nineteen members of the Chemical Society visited Lever Brothers manufacturing plant on September 7, 1922, and saw how soap is manufactured on a large scale.

The Industrial Service movement has been travelling throughout the United States for the past three months, under the leadership of the National Committee for the spread of the movement. They are now in California and will be with us in a few weeks, and the committee is to be visited at the end of the year. It was decided that the industrial service movement would be a successful one, and it is expected that it will meet the needs of the country.

The Industrial Service movement is expected to meet the needs of the country.

MUSICAL CLUBS AIDED BY POPULAR SOLIST

Miss Marjorie Moody Secured for First Concert in Symphony Hall

Assisted by Miss Marjorie Moody, well known as opera singer, the Combined Musical Clubs will give, on February 20, a recital in the Symphony Hall. Tickets will be at popular prices, and applications for them will be made only to all ungraduates and alumni.

MISS MOODY WOULD LIKE TO HELP

Miss Moody has been received into the society, and she is said to be one of the most popular singers in the country. The Musical Clubs will be fortunate enough to have her in this recital.

She will be the first one to perform, and the concert will be opened by the choirs and a well-known soprano. The concert will be accompanied by the choirs and a well-known soprano. The concert will be accompanied by the choirs and a well-known soprano.

The Winter Kitchen trip is almost complete, and the cost will be kept as low as possible. The trip will leave the day after the concert, and the Musical Clubs will be fortunate enough to have her in this recital.
