BIG ADVANCE THIS FALL

According to the judgment of the cross country topic as ex-
pressed in its election Friday afternoon there are two of its
members who are likely to be true to the faith next year. Frank
Benum. Under the old ruling, Manager Board would have had
a tie before the Executive Com-
mitee. Now, the cross country tie is
straight "T" fall in cross coun-
ty. Frank is known officially as Frank
Evans, but he has been known
as "Gubby" for a long time.
His name is Evans because he
was born in Evans, Colorado.

weight on him as to make him round-
shouldered. Hendrie is confronted with the prob-
