CHRIStIAN ASSOCIATION

MEN'S MEETING AT BOSTON

Dinner Flanshed With Well Known Speakers

A picturesque dinner of all the college's alumni attended, and the meeting was well attended. It was held at the Boston Y. M. C. A., where a number of alumni were present. A number of talks were given by prominent alumni, and the evening was a great success.

Freshmen Quintet Outscores Varsity in Short Well Played Practice Game

Yesterday afternoon the varsity and freshman teams went through their first practice game of the season. The varsity team was composed of a team of experienced players, while the freshman team was composed of a team of promising players. The game was played in front of a large crowd, and both teams played well. The varsity team won the game by a score of 21-14. It was a great improvement on previous games, and both teams played well.

ALUMNI GIVE EXCLUSION TO DR. W. S. STRATTON

of the Pennsylvania Railroad; also George H. Dole, Register of the New York Water System, and R. C. Lee, of the American Telephone and Telegraph Co., who spoke on "The Development of Electric Power in the West." Dr. Stratton, Professor of Physics at Harvard University, will reply to all questions. These speakers will be included in the program.
