GRADUATES OF 1893

MAKING PLANS FOR THREE DAY REUNION

Will Celebrate Tenth Anniversary of Graduation

CLASS DINNER ON JUNE 9th FEATURES OCEANOGRAPHY

Committee Compiling Data for the Class Book

Next June the Class of 1893 will celebrate the tenth anniversary of its graduation with a reunion at the Winne Club, in Osterville, Massachusetts, but been chosen as the place for the reunion, which will be held June 9th, 10th, 11th.

Biographical questionnaires have been sent out to all the members of the class, and the committee is now busy in compiling the "Tenth Anniversary Class Book," which will be ready for distribution at the reunion next June. It is planned to make the book a really valuable account of the achievements of the class since its graduation.

Saturday Is Big Day

The days for the reunion have been named Saturday, Sunday, and Monday, so as to make it convenient for as many as possible to attend. The first day, Saturday, June 9th, will give members the chance to come by train, for the Winne Club will be the last stop on the way from Boston, where the reunion will be held.

Saturday will be the big day of the reunion, as there will be a number of events planned for that day. The reunion will be held at the Winne Club, which has been chosen as the place for the event. The reunion will begin at six o'clock. The purpose of this dinner is to get the men together before the convention. The meal will be followed by a reception at which the public will be welcome. The subject of the dinner will be "The Physical Society of America," which will be discussed by various speakers.

Public Meeting Wednesday

It was estimated yesterday that at least 10,000 people will be present at the convention. There will be a number of public meetings held during the week, and it is expected that there will be many joint meetings held simultaneously for the discussion of various problems. There will be several symposia held during the week, and it is expected that there will be many joint sessions held simultaneously for the discussion of various problems.
