WALKER COMMITTEE WILL HOLD DANCE TO BE GIVEN FOR THE STUDENTS.

The Walker Committee is to hold a dance on the afternoon of Feb. 1 and evening of Feb. 3, which is being given for the benefit of the Walker Committee. The doors will open at 7 o'clock. The tickets will be $1.50 and will be sold at the School Office. The proceeds will be used in the Walker Scholarship Fund.

LYNN AND WALTHAM CO. VISITED BY M.E. SOCIETY.

Attended Meeting at General Electric Company and Visit to Plant.

Last Friday afternoon at about 3:15 a number of the Mechanical Engineering students and their instructor, Mr. J. V. Walker, left for Lynn and Waltham. There were nineteen students on the trip, and the party was received cordially by the Society. At the plant the students were shown around and were especially interested in the mine test room. The trip was very enjoyable, and the boys hope to go again in the future.

NEW CANDIDATE FOR WALKER COMMITTEE.

More Candidates Needed in All Departments.

Competition for You Steal will be reopened Wednesday. The management hopes that more candidates will meet the qualifications and that there will be a ground meeting of all new Wednesday at 3:30. The Men's Union is working on the competition and will meet with the candidates. The meeting will run until 6 o'clock, and those interested should attend.

AWARDED CHAMBERLAIN FELLOWSHIP TO ARTHUR F. WALKER.

At the last meeting of the Chamberlains, the fellowship was awarded to Arthur F. Walker. Walker was the only candidate considered, and the selection was made on the recommendation of the chamberlains. Walker is a senior and is particularly interested in the mechanical engineering department.

STUDENTS WILL VISIT EUROPE NEXT SUMMER.

Institute of International Education Presents Three Tours.

Students and instructors at Tech have been elected to participate in the Institute of International Education's student exchange program. The program offers students the opportunity to study in Europe, visit different countries, and experience different cultures. The students will be selected based on their academic performance and their desire to participate in the program. The program is open to all students, and interested students should contact their academic advisors for more information.

TECHNOLOGY REVIEW COVER STORY FOR THE WEEK.

The February issue of the Technology Review will come out this Thursday, and it will feature an article on the latest developments in the field of technology. The article will cover recent advancements in the field of computer science, as well as the latest developments in the field of electronics. The article will be written by a team of experts in the field, and it will be sure to provide a comprehensive overview of the latest developments in the field.

SPEAKS AT CIVIC CLUB.

At the conference held to discuss the housing situation in the town, President Straton went over the plans for new developments, and laid the expenditure of the present system. Since this is done, however, he pointed out, it is not the plan of the committee to cease all the details. Instead, he outlined the new developments that are needed, and in many of the cases that are needed for the present and future, to build proper housing for the town. This plan has been approved, and the public will be asked to support it.

OPEN MANUFACTURER CATECROP TODAY.

M. I. T. A. CALLS MEN FOR SEVEN TEAMS AND THE PUBLICITY DEPARTMENT.

The M. I. T. A. is calling for seven teams for the upcoming competition. The teams will be formed based on the students' interests and abilities, and the teams will be given a variety of tasks to complete. The goal of the competition is to promote the use of technology in everyday life, and to encourage students to think creatively and innovatively. The competition will be open to all students, and interested students should contact their academic advisors for more information.

FACULTY CLUB HOLDS MID-WINTER ASSEMBLY.

Dinner, Dance, and Reception to President Straton on Program.

The mid-winter assembly of the Faculty Club will be held on Saturday evening, January 22, in the Memorial Hall. The assembly will include a reception, a dinner, and a dance. President Straton will be the guest of honor, and will give a talk on the future of education. The assembly will be open to all members of the faculty, and is sure to be a great opportunity to network and socialize.
