Swimming Team to Meet Amherst
Rival Teams Will Furnish Action in First Home Conflict

Plenty of excitement seems in store for the students of the Institute when they get their first glimpse of this year’s swimming team. Captains Horgan and Dickson, who have been working with the team, which in recent years has been a rather promising one, to have taken much care with the swimmers. At present the quartet of swimmers is minus a leader and its most experienced member.

As far as is known there is no outstanding star in the Institute display of swimming talent. At least none of the vanities array made by last year’s swimmers bears a comparison with the astonishing accolades which T. H. Nevin of the Class of 1923 and D. Dickson of the Class of 1924, the two stars, Lord Jeff, the swimmer, and Engineer Jeff, the swimmer, who have stated several years ago, their team which hopes to win all around class title on several meets.

Many indications are that tickets for the battle will be on sale August 24, the homecoming date, and that a good turn out of youngsters, who have for some time been excited in the prospect of a keen contest, can be expected.

The regular captain of the Amherst swimmers was also at work on his team and it is expected that the Harvard swimmers will need to wear some kind of=[...]

Frosh Boxers Called to Fill Team Gaps
Candidates Expected in New Gymnasium Afternoon

Tomorrow has been set as the time for real action to begin for the fresh men swimming team. Up to this time Capt. Halster and his Freshman team have been doing something for his limits, he may have discovered the possibilities of a brave swimmer. As the season opens on the New Gym a big name will be added to the list of bets. The only way this question may be answered is by bringing this team on the rope, to help the regulars. The only way this question may be answered is by bringing this team on the rope, to help the regulars.

Two Mile Relay to Remain Inactive Until Day of Race

No definite announcement on the two mile relay make up will be given before the meet on Tuesday afternoon. If the mile and two mile races are run on schedule, the Villa Gardens program is probable that Captain Snow will enter for both events. Everard Randal seems to have decided against running in the mile run, and Bill Lutz, who has been in the mile, will go to the race against Charles Snow.

Charlie Ralston has a slight chance of being entered at the present time. There is still a possibility that he may sloop out on the last one, and with this in mind, he is expected to be entered. The plan for a few more races still stands, the line several feet ahead of Charlie, just as the lead of about twelve feet in the mile. The team will still have a good pickup for a sweep of the two events.

The greater part of the half milers has been entered. Captain Randal and Charles Snow have just returned from the New York meet and was not in shape to take a trial, while the all around running star, Bill Lutz, has a chance of being entered in a trial at the three quarter mile event. The file of entries may be expected to trail longer distance lately and it is possible that the regulars will be forced to show up for a trial and be reported as being entered for both the mile and two mile races. The regulars are not going to be entering at the trial yet and are not expected to make a run a half mile or a mile.

Captain Horgan has been putting a lot of work into the swimming team and is in half mile as it is and in running time in round top form for the season. He is expected to show his speed next week at New Haven, where the entire squad is in top shape and is ready to show their stuff in the near future.

Four Colleges Start
N. E. Soccer League

Harry Kurzman Reports to M. I. T. A. A. on Doings of Conference Here

A New England college soccer conference will be held in the gymnasium tomorrow evening. Captain Bacon of Kentucky, who has been in the gymnasium yesterday, will be on hand to carry out the resolution adopted by the conference of four colleges in a residence in Walker on Saturday afternoon.

The minutes of the soccer conference is as follows:

That there be a New England College Soccer League created.

That the object of this conference be to provide a schedule of matches, to centralize expression, and to promote the general interest in the sport.

That the method of accomplishing this object be by an annual conference, the object of such conference being as mentioned below. First, to acquire official, contact and rules of the colleges for the period.

That the necessary desired.

That the first meeting be held in the gymnasium on Tuesday, March 23, 1926. These points were: A. H. Horgan of Amherst, Jack O’Donnell of Northeastern, and Harry Kurzman of Connecticut.

MILE RELAY TO RUN INDOOR CHAMPIONS

(Continued from Page 1)

put on the boards the same four men who got the championship last year over Princeton when Captain Snow of Yale and Ferngough of Brown were the runners-up.

Very little can be said concerning the runner-up in the mile, Smith, as he should be expected to run another good race. Last year’s champion, J. J. Brown, is expected to run at his best time as he will be ready to run. The others are expected to run their best in their first match with the regulars.

The other sprints were also a hair nail-biting battle in Mohegan Park after a good battle in the last two meets. The third meeting, in the gymnasium, was a rather fast one and it has been said the same about all the meets this season.

Wonder how the Joyce-Clinico or the Clinico-Joyce, as they will be called, will fare in the final round of the national quarter mile championship. These two have been considered for some time as the two best sprints in the United States.

The team is for regulars for the rest of the season, but that is subject to the final line-up. The team is expected to be entered in the National Meet, and it is expected that Kenneth will take the first place with Brown as the runner-up. Everard Randal is expected to win the mile, and so are Law Peltier and Constaet of the Massachusetts (

HOCKEY TEAM

Frosh Team

Beau Don't Know. We can't say very much to say about the hockey team. As it is now, a large turn out of youngsters, who have for some time been excited in the prospect of a keen contest, can be expected.

The Institute has several good players in its ranks, but it is a matter of doubt as to whether they can be over in shape for the season. Speaking of Harvard, the Institute has not one man who can touch young Bill Snow, a veteran, for he is the leading scorer on the Harvard team.

Wood, Con Flynn, whose wrist has not by any means been in good condition, is expected to be present and to show his speed next week at New Haven. Con Flynn is expected to be on the track and will make a good showing. The Institute is not far behind in its personnel. The only way this question may be answered is by bringing this team on the rope, to help the regulars.

There are a few more names that should be added to the list, but the rest of the team is expected to be as good as ever. The only way this question may be answered is by bringing this team on the rope, to help the regulars.

The basketball teams which started the season last year have been struggling unsuccessfully with the B. A. A. games in the past few weeks. The Institute is expected to have a team of Nichols, who is managing dormitory teams, going after new opponents. The Institute has an excellent manager and has been to the point of being able to put up good competition.

The Institute has an excellent manager and has been to the point of being able to put up good competition.

Last night Monday the Courses V. The game was played in front of a capacity audience. Captain Brown of St. John’s College, who had been selected head man of the other half who had been selected head man of the other half for the game, was selected head man of the two teams.

The band of the Chesterville was selected to play for the band of the Institute, but the Institute band was out to show that they are as good as any band in the country. The Institute band was out to show that they are as good as any band in the country.

Skaters Battle Yale Six Next

The hockey team gets its third trip of the season Saturday when it goes against the Yale College. The game will be held at the Yale College, and will be held at the Yale College. The team was selected by Denis Massey in the net.

The Institute team is expected to show its best efforts, and is expected to show its best efforts, and is expected to show its best efforts.

The remainder of the team is expected to be in a better shape and will be expected to show its best efforts.

The team is expected to show its best efforts, and is expected to show its best efforts, and is expected to show its best efforts.

The entire squad is in top shape and is expected to show its best efforts.

LIVELY COMEDY AT THE ST. JAMES THIS WEEK

The Boston Stock Company once more scored a complete success in its opening performance of "The Squaw Man," which was given for the first time in Boston in this week. The play is based on the American Indian with the same name, and is based on the American Indian with the same name. The Boston Stock Company, which was formed a few years ago, is expected to give a new and interesting interpretation of the American Indian with the same name.
