REQUEST MANAGERS TO STICK CLOSER TO A. A. RULES

Kandy's Recommendations Will Influence倒霉的Facts

ATANUALGA GETS "T"

That managers must cooperate in a greater degree, in being closer to all this matters of freshmen transfers from one manager to another, and that the rules of the A. A. governing such matters, he was more strictly adhering to it. The managers were expressed as the sentiment of the meeting of the Ad

V. C. Officers. Furthermore, it was moved that Cassie Ryan is requested to make a report each year as to his relationships with each manager, and thus report will be influential in deciding whether he is to be reappointed or not.

Another business of the meeting is the question of the new computer, which is a subject of future discussion.

MECHANICAL ENGINEERS

OLD TAMP TUBE NOW IN USE

The old No. 120 transmitting tube belonging to the M. L. T Radio Society was completed and is now in operation. The new tube is immediately tested, and in the hands of the manager. This, with the exception of the set to be undertaken later, is the first tube of this kind installed.

The efficiency of this set is being increased by the addition of a condenser to the supply of gas, and the progress of the set is to be undertaken later.

In conclusion, the manager stated that the improvements in the set are to be undertaken later.
