

CAPTAIN COOK LEADS BASKETBALL TEAM AGAINST HOLY CROSS

Holy Cross Quintet to Encounter Technology in New Gym Tomorrow

Tomorrow evening at 8 o'clock the varsity basketball team clashes with the Holy Cross five on the floor of the New Gym in the first home game since the Wesleyan contest two weeks ago. With only one defeat on the home floor as the second for all last season and for half of this year's schedule, Captain Cook's passers will have to be opposed by a mighty hard fighting team before they permit any more contests to be dropped on Technology's floor.

The team members have been put through a hard series of practice sessions this week and the men are in their mid-season basketball form now, so this contest will test Coach West's quintet as to their consistent basketball ability.

Skinner, who started in the Amherst contest last Friday, has been displaying a good eye for the basket in addition to being able to move around the floor in a fast manner. He managed to cage three goals from the floor in this game. Ed Johnston is another man who is playing a good brand of basketball. He played his first full game as guard in the Wesleyan clash, and caged one goal from his defense position. In the Mass Aggie game and in the Amherst contest his defense work showed up well as he is able to move around the floor quickly and to stick to his man.

Coach West is fortunate in having developed some men who are able to play regular varsity positions, as the

one thing that holds back a team is the lack of good substitutes. The coach will probably start tomorrow's game with Captain Cook and Mike Miller at the forward positions as this combination seems to be the most likely scoring pair. Coleman will be at the pivot job at the start, while Cub Hubbard and Ed Johnston will make up the defense.

This week the squad has been having constant scrimmages and they have profited by them as the tendency to fail to pass the ball and to make inaccurate shots has been greatly lessened. Mike Miller has been working on the shooting of fouls and in the practices showed a mighty good eye for chucking the ball through the hoop.

Last night in the scrimmages Cook and Miller were at forwards, Coleman at center, and Cub Hubbard and Ed Johnston at guards. They played against Storb, Earnie Davis, Skinner, Ward and Coach West, and in regard to the scoring, the varsity five had a job on their hands to keep up with the coach's team.

The freshman team plays the St. Johns five tomorrow night away from home so there will be no preliminary to the varsity game.

Bianchi, who was captain of the freshman Field Day football team and was a letter man in basketball at Culver, has reported for the freshman squad this term, and is expected to help in a defense position. The following men will go to St. Johns: Timmermen, Forrester, Bianchi, Walsh, Lord, Wilmot, and Kemington.

Two Meets on Track Tomorrow

Varsity Men Race Each Other in One and Freshmen Clash in Other

The entire track squad will have a real chance to show what it can do in competition Saturday afternoon when there will be two dual meets held on the boards for the members of the squad.

All members of the squad must report at the track house at about 2:15 o'clock when the teams will be chosen. The team captains, who will do the choosing, are to be Dexter and Drew for the varsity and Symonds and Davidson for the frosh. The meet will start at 2:30 o'clock.

About all the regular events will be held. The dash men will have to do their running in the seventy yard dash, while the hurdlers will have both the 70 yard high and the 70 yard low barriers to top. The real competition of the meet ought to come as usual, however, in that famous distance, the quarter. The four relay men will be entered and are sure to provide a few thrills for anyone who shows up to watch the races.

Test for 880 Men
The varsity runners will also have an 880 and a mile run to occupy them. There is quite a bit of new material available for the half and this meet will provide an opportunity to get a line on the men.

The field event men will not be neglected in the program, either. Bill Greenough and his gang of high jumpers will have an opportunity to show that their practice in the new gym every afternoon has developed a few good men to represent the Institute in this event in the spring meets. The pole vault also will call for a lot of new talent and it is possible that Chen, the Chinese star who is ineligible this year, may take part in this event. He has been working in the gym this week and has been showing up well. If he is entered, there will be some hard work done in keeping up with his work.

Besides these two field events, the weight tossers will have a little exercise. The varsity men will toss the sixteen pound shot and throw the thirty-five pound hammer. This will complete the varsity program.

Full Program for Frosh
The frosh will have a 50 yard dash and a 70 yard hurdle race for the short distance events, while the middle and long distance men will have 300, 600, and 1000 yards to make. With Symonds and Davidson on opposite teams some of the frosh running promises to be interesting, for these two men are well matched and if they are in the same race, there is bound to be something doing. The frosh milers are to have a go at this distance too.

There will also be field events in the frosh meet, as there will be a high jump and pole vault and the weight slingers will try their hand at the twelve pound shot.

As usual in the dual meets, the points will be five for first, three for second, and one for third place. This meet ought to provide some interest for the team and will give an opportunity to size up the material on hand.

Oarsmen Furnish First Hints of Coming Spring

Coaches Meet Candidates at Opening Session on Next Tuesday

It's the early bird who gets the worm, says the old saying, and with the Technology oarsmen the "worm" is to be the most successful crew season in the history of the Institute rowing. With this in mind the management is planning to get all the old crewmen and a big bunch of new huskies out mighty soon and working at preliminary machine practice. Hence, the first meeting for all candidates for any and all of the spring crews, next Tuesday, in room 5-339 at 5 o'clock.

Coach Stevens and Coach Dellenbaugh will be on deck to outline the season's plans. With the new lot of boats that has been added recently to the boathouse equipment there will be places for at least 10 crews, and there will be room for many more when things get started.

Ineligibility will be no drawback for the present plans call for a crew of ineligible and a schedule of races for them is now in the making. Individual recreational rowing is also planned.

Engineers Splash in Green Water

Captain Bill Stewart Leads Technology Against Dartmouth

This afternoon the Technology swimming team meets the Dartmouth outfit at Hanover and Capt. Bill Stewart's men feel that they can subdue the collegians. [The meet is scheduled to start at 4:30 o'clock and the team left the North Station at 3 o'clock this morning. The Green team was defeated by Yale a week ago and the Technology natators intend to follow Bulldog's example.

Nip Marsh and Earl Palmer will probably start in the 50 yard event for Technology. There is a possibility that Herb Holm will use Taylor in place of Marsh so that Nip can be saved for the 100 yard dash.

The Engineers are strong in the century and Marsh and Carroll Dunn may be able to lead Capt. Taylor of Dartmouth to the wall. This part of the program will furnish a thrill because Marsh and Capt. Taylor are pretty evenly matched.

Regular Entrants in 220
Over the furlong Dave Evans and Brown will try to splash through to a win. Carver, the Engineer's best bet in the diving, is sick and Miller and Keay will perform.

In the back stroke, Aze Ames and Ban Oxnard will furnish plenty of competition to the Green entries. The plunge will be taken care of by Dietz and Williams who will work hard to outdistance the Hanoverians.

The race between Jerry Nauman, Bill Stewart, and Rogers of Dartmouth should be the closest event on the program. Rogers won the N. E. Intercollegiate championship last year, just beating out Bill and a renewal of their rivalry should contain plenty of thrills.

Technology stands a good chance of winning the relay race and the usual combination consisting of Carroll Dunn, Nip Marsh, Eddie Taylor, and Earl Palmer will battle the Dartmouth starters.

The trip will be enjoyed by the Technology splashers because they have been invited to participate in the Dartmouth Winter Carnival which will be going on at the time. They will attend the costume ball tonight and will remain over Saturday night and see the ski jumping Sunday.

Intramural Sports

In the first contest of the second half of the dorm athletic series last Wednesday and Thursday evening, Holman Hall retained its first place in both bowling and basketball. In the bowling Wednesday evening in the first match between Holman and Runkle, Holman won two and lost two. In the second match between Atkinson and Nichols, Atkinson won all four, which gives the teams the following standing:

In the first basketball game last night between Runkle and Atkinson, Runkle won 32 to 5. Giles was the star of the game scoring 10 baskets.

RUNKLE Kurzman, Derry rf f Hassler, Piland Giles, Correlale lf lf Young, Rowe McLane c c Thimme Ferguson lg lg Hechtle Whitman rg rg Delehanty Goals—Giles 8, Correlale 2, McLane 3, Ferguson 3, Young 1, Thimme 1, Fouls—Young 1.

In the second game between Nichols and Holman, the Holman team playing in its usual form, won 33-6.
HOLMAN Nichols, Sidall, Ford rf rf Yhan Brown, Fox lf lf Hifeld, Kinch Johnston c c Sinnicks Levi lg lg Bond Bamford, Rau rg rg Ferguson Goals—Yhan 1, Tench 1, Ferguson 1, Ford 2, Brown 7, Johnson 3, Levi 4, Fouls—Bamford 1.
