 Was Marjorie Moody at the concert Friday night? No, she was consistently good.  
 M. I. T. did not stand for "The Music Is Terrible" either.  
 At least one young man I know would say, "Terrible?"—"So is tissue paper."  
 Don't you think it would be appropriate if all the members of the Banjo Club were Stringers.  
 They oughtn't to be nuthin' else but.  
**Chinese Five on War Path**  
 The All-Chinese basketball team, captained by C. W. Chen and managed by Arthur Sun has had its fill of practice and is anxious to get into action. Games will be played against any Technology organization.

## Relay to Race Harvard Again

### Unsatisfactory Result at B. A. A. Reason for Contest at K. of C. Games

Arrangements have been definitely concluded with the K. of C. Management so that Technology's mile relay will meet the Harvard four in a return contest a week from tomorrow in Mechanics Building. The University team is sure that the meeting will result in a Crimson victory since they regard last Saturday's defeat as a fluke due to Billie Burke's tumble.

The Engineers are equally certain that although it was admittedly tough luck on the part of the Harvard captain the accident in no way affected the decision. It ought to be interesting when the exponents of these two ideas get together.

Harvard has already reserved a section of 280 seats for her loyal cohorts to occupy and cheer in their team while Technology, not to be left behind, will also have a number of seats for Cardinal and Gray fans. Andy Kellogg, publicity manager of the A. A., has charge of the section and desires that the numerical disparity between the two groups be as small as possible, so that any men desiring tickets will undoubtedly receive a hearty welcome from him.

**University Runs Same Team**  
 Harvard will probably be represented by the same quartet that performed at the B. A. A. That is Vin Chapin, leadoff man, Gordon, Jimmy Merrill, the Crimson's best speed artist third, and Billie Burke as anchor. The order of running for the Institute is naturally still a matter of conjecture in as much as the entire lineup of the team is not settled.

The New York Athletic Club, which holds an indoor meet, February 24, has invited the Engineer management to send its mile relay against the Tiger four at that date. Princeton's mile relay ran second to Syracuse in the championships last year and this year's four is apparently of the same calibre. With Hitzrot, Conger, and Taylor, veteran sprinters, forming the basis of the outfit and Leh, a new man proving almost the equal of his more experienced team mates, the Orange and Black relay should prove a formidable opponent for the Engineers.

The date, February 24, makes it impracticable for the Institute to enter its relay in the American Legion Meet at the East Armory on Washington's birthday. However, there is a possibility that the quarter milers may not go to New York after all, for the Johns Hopkins names in Baltimore are slated for the same night and as the Cardinal and Gray raced here last year they may enter again if a suitable opponent is found.

## Hockey Team Slips on Dartmouth Ice

### Cardinal and Gray Skaters Bumped, 6-0, in Game at Carnival

Dartmouth held Technology's hockey team scoreless, meanwhile plugging six goals past Dent Massey in a carnival game at Hanover, on Saturday.

The Green stepped out in front shortly after the whistle blew and was never in danger. The Engineer forward line found Foster a tough bird to get past. The summary:

**DARTMOUTH**      **TECHNOLOGY**  
 Osborne, Calder, rw.....lw, Hayden Hall, c.....c, Dalton, Babson, Lyon, Sheehy, lw.....rw, Peene, Foster, cp.....cp, Moulton, Perry, p.....cp, Blandy, Niddinger, Learnard, g.....g, Massey  
 Score—Dartmouth 6, M. I. T. 0. Goals—Hall 2, Foster 2, Lyon, Sheehy. Referee—Sands. Time—Three 15 min. periods.

## Engineer Swimmers Drown at Hanover

### Dartmouth Natators Race to Victory—Several Events Close

Dartmouth's swimming team grabbed every one of the first places and a majority of the seconds trimming Technology in the Hanover tank on Friday by a 52-16 score.

Bob Eiche did a large share of the Dartmouth counting, coming through with firsts in the 100 and 220.

The relay race and the breast stroke proved a humdinger with the green just showing ahead at the very finish.

### Yale Trims '26 Swimmers

In the first meet that Technology freshman swimmers have ever had with another college team, the Engineer cubs were drowned by the Yale yearlings. The Bulldog doesn't seem at all bad off when he takes the frog's place in the pool. The details follow:

**Fifty Yard Swim**—Won by Peterson, Yale; second, Hoyt, Yale; third, Richardson, M. I. T. Time—27s.

**One Hundred Yard Swim**—Won by Bronson, Yale; second, Coate, Yale; third, Richardson, M. I. T. Time—1 m. 4-5 s.

**Two Hundred and Twenty Yard Swim**—Won by Kwai, Yale; second, Hopkins, Yale; third, Butler, M. I. T. Time—2 m. 14 s.

**One Hundred Yard Breast Stroke**—Won by Phillips, Yale; second, Madlener, Yale; third, Kaufman, M. I. T. Time—1 m. 18 1-5 s.

**Fancy Dive**—Won by Joyce, Yale; second, Beck, Yale; third, Jones, M. I. T. Best score—95.4 points.

**Plunge**—Won by Work, Yale; second, McKay, Yale; third, Ford, M. I. T. Distance—63 ft.

**Two Hundred Yard Relay**—Won by Yale (Stage, Reel, Peterson, Caghili). Time—1 m. 5 4-5 s.

**Fifty Yard Back Stroke**—Won by Ryan, Yale; second, Beck, Yale; third, Swain, M. I. T. Time—37 s.

## Freshman Wrestlers Nose Out Worcester

In a hard fought engagement on the Technology mats on Saturday, the freshman wrestlers beat Worcester Academy by a 15-13 score. The first four bouts were the scrappiest on the program.

The 115 pound points went to the Engineers, Bowers winning in a fall. Cummings repeated this trick in the 125 pound match. Capt. Lutz, who had trained down from the 145 to fill in for Drum, lost the 135 decision.

Grinnell completed the Technology scoring with a fall in the 145 pound fight. Jacobson lost the 158 to the Worcester captain and Canisius was beaten in a like manner in the 175 class.
