**Harvard Comes to New Gym on Saturday Night**

**Climax of Basketball Season Expected to Be Hard Fought**

All is in readiness for the annual clash with the crimson five on the basketball court which takes place Saturday night at 8 o'clock on the floor of the New Gym. Only one game was scheduled between the local outfits this year and it can be counted upon to be a snappy hard fought contest from start to finish. The Harvard quintet has run up a record to be proud of this season, while the Engineers have lost only two games on the home floor, so Captain Gordon and Captain Cook will lead two determined teams on the floor at the blow of the whistle.

With the Engineers playing Worcester Tech tonight, the team will be on edge for the Harvard game and will present a line up that will be hard to score against. Both fives will probably present veteran teams as each Coach has at least five letter men back from last year. While Mike Miller and Ed Johnston didn't play last season, the other men who will start were in both Harvard games last year. Miller and Cook will be put on the forward positions, Bernie Coleman at center, and Cub Hubbard and Ed Johnston at the defense. The Crimson schedule has been an especially hard one and they have played 14 contests up to date and lost four of them. The second game on their card was with Clark whom they beat 46-26, Knox College and Amherst were the next victims of John Harvard's passers, as the team exhibited much better form in these contests and piled up a big score on their opponents. Williams went down to a 46-28 defeat, but the Connecticut Aggies proved too much for the Cambridge passers as they came out on the short end of a 37-35 score being nosed out by one basket in the final minutes of play.

**Crimson Has Veteran Team**  
Harvard will present an entire veteran team as every man is a letter man from last year. Captain Gordon has proved to be the leading scorer for the crimson and the Engineers will have to be mighty careful to keep him out of range of the basket. Lowenthal plays the other forward and together with Gordon presents a fast attack. Miller will be at the pivot position. McLeish, who was last year's captain, holds down one of the guard jobs, and in the season's games has kept their opponents score down low by his fast work.

In addition he shoots the fouls. Black is his running mate and completes the veteran combination. After their defeat by the Connecticut Aggies, Worcester Tech went down before the Crimson attack by the count of 28-20 points, while Dartmouth proved another stumbling block and came off with a 9 point victory. In the return game with Worcester Tech, Captain Gordon's men managed to come away with a win, but only by a 3 point margin. In the last game played Yale walked away with a 36-28 win.

**Teams All Even Last Year**  
Last year two contests were played with the Harvard team and the Engineers defeated the crimson by one point on the Walker floor, while losing on the floor of the Hemingway Gym. Miller, Black and Lowenthal all played in this last contest on Technology's floor, Lowenthal making the best showing for the visitors as he put 4 goals from the floor in.

The first half ended 14-7 in Harvard's favor as the Institute passers seemed to be unable to get started. But they started things with a rush the second period, Davidson, Storb and Coleman each caging a goal in quick succession. With the score 18-18 and only a minute to go, Tillie Tonon put the deciding point through the basket on a foul.

The line ups:  
Technology Harvard  
Cook, rf ..... rf, Gordon  
Miller, lf ..... lf, Lowenthal  
Coleman, c ..... c, Miller  
Johnston, rg ..... rg, Black  
Hubbard, lg ..... lg, McLeish

**HOLD LAST BASKETBALL DANCE SATURDAY NIGHT**

A dance will be held after the basketball game with Harvard Saturday evening in the New Gym. As this is the last basketball dance of the year and only one game has been scheduled with the crimson team this season a large crowd is expected to attend. Reserve seats and tickets for the dance can be obtained as before at the door.

**Engineers Swim Brown Team in Last Home Meet**

**Bruin Natators Squad Have Long String of Wins to Its Credit**

**EXPERT DAVY JONES SURE TO BOOST BROWN TOTAL**

**Though Defeated by Yale Cardinal and Gray Swimmers Show Improvement**

In the last home meet of the season the Technology tankmen will meet the powerful Brown team, Saturday night at the Boston Y tank. The Bruins started off their season with a win over Dartmouth and they have been going strong ever since.

Although defeated by Yale last Saturday, the Technology team put up their best struggle of the year and they should give the Providence natators plenty of competition. A good showing of Technology rooters is expected at this meet and tickets will be on sale Thursday and the remainder of the week in the main lobby and Walker.

Nip Marsh and Earl Palmer will start in the 50-yard dash and will be opposed by Davy Jones and Adams. Jones is probably the fastest dash man in college today and holds the intercollegiate record in the 100 yard dash. Nip should get second in this event and in the 100 yard dash. He was absent at the Yale meet due to sickness and the team was severely handicapped without him.

**Expect Close Furlong**  
Over the 220 yard distance, Brown and Evans will probably start for Technology and they will give the Brown entries a good struggle. In the five Keay and Miller will perform for the Institute team and as Keay has been showing considerable improvement he should do well.

The back stroke will be taken care of by Aze Ames and Bill Rowe. Aze has been improving and made his fastest time in competition last Saturday. In the 100 yard dash the Technology entries will be Nip Marsh and Carroll Dunn and they should make Davy Jones extend himself to defeat them.

Perlman and Williams will plunge for Technology and they are nearly able to cover as much distance as the Providence splashers. Perlman has been coming along very well and in the Yale meet he did 63 feet, which is his best this season.

**Pick Stewart To Win**  
The 100 yard breast stroke event should be the most interesting one on the program because Capt. Bill Stewart and Red Reynolds will clash and they should give the spectators a real thrill. In the meet last week Bill lost first place by an inch and he ought to be able to lead Reynolds to the wall. With Bill will swim Jerry Nauman who has given a good account of himself at all the meets this season and got third in the Yale meet.

The relay race will be close with the Technology entries being Dunn, Taylor, Marsh and Palmer and they will be pitted against a star combination consisting of Stiffer, Adams, Staples and Jones.

After this meet the Technology team will be entered in the N. E. A. U. U. championships to be held March 17. The colleges competing are Amherst, Dartmouth, Brown, Wesleyan and Technology. Brown won last year and Technology won the two previous years.

and fell, striking his head and knocking him unconscious for a couple of minutes. On account of this accident the Harvard coach decided to withdraw him and Greer won the bout on a forfeit.

Sargent Heath was back on the job in the unlimited and he sure ran up against a tough opponent. The Harvard man was about six inches taller than Heath and outweighed him by about twenty-five pounds. They sparred a good deal of the time and Heath struck out the whole bout, losing only by a decision.

**Swimming Freshmen Travel to Andover Academy, Saturday**

The freshman swimming team will go against the Worcester academy team Saturday at Worcester. The team has been working hard since the Yale frosh meet. This is their last meet and they stand a good chance of defeating their rivals. Jones in the dive and the 100 yard dash has performed very well for the frosh splashers. Ford in the plunge has been a consistent worker and he got second in the Exeter meet.

**Pick '26 Boxers Today**

The frosh boxing team will be picked today by Coach Boutelier. The frosh will box the Yale frosh at New Haven Saturday.

**Intramural Sports**

Holman Hall won the dormitory championship in bowling last night when she ran up the high score of 1328 and also the highest string for the evening 499. In winning the championship she defeated Nichols 3-1. In the second contest of the evening Runkle beat Atkinson 3-1.

The final standing of the halls is as follows:—

Holman	.....	16	8	.666
Runkle	.....	14	10	.583
Atkinson	.....	9	15	.375
Nichols	.....	9	15	.375

According to the present plans it is the intention of the Dormitory Athletic Committee to have the final games between Runkle and Holman and Atkinson and Nichols in the basketball series played tomorrow evening just before the Dorm Dance.
