**CREWS WORKOUT FOR FIRST TIME THIS SEASON ON RIVER**

Many More Candidates Needed to Develop a Strong Team

Buoying rather poor conditions the intramural crew added their first work on the Charles this spring with a lineup of only a dozen candidates. The team has an opportunity to outdistance itself from last year with this year and there promises to be plenty of work for the candidates who decide to enter the line.

Work has not progressed far enough just yet to warrant the sending of the team into any real competition, but it has already been started, and in the future, as the season progresses, there will be more to report on the daily work of the candidates.
