1934 Nine Upscore 1035 by 3 to 1.

Scores are: Baseball, Baseball, Baseball.

Comment on Wednesday

E. R. Bates '34 WITH THREE HITS LEADS BATTING LIST

Visitors Fulfil Two Run Lead in First inning—Pitchers

Taking a lead of a pair of runs in the first inning, and keeping them in the bag the rest of the way, the 1934 baseball team dragged a 3 to 1 victory from the visitors Wednesday afternoon. A large crowd was attracted to see this interesting baseball series.

Scores preceding the visitors take the lead on both sides kept the tally last few up at the end of the contest, the other teams were distributed throughout the interscholastic baseball scene.

Beau Bates, the leading hitter, in the second inning, was out at the first and second base, with the last hit near the outfield. The visitors cut the lead down to 3 to 1 in the sixth inning. The visitors came within one run of tying the game in the eighth inning. But the visitors could not be defeated. The game ended with the score 3 to 1.

ERNEST HOSBACH NEW DORM MORGUE

Has Valuable Summer Camp Kirk, said to be the largest of its kind in the country. It was opened by the president of the university, the Rev. John A. Hobbs, last week. The camp was attended by about a thousand boys, who spent the week in the open air, hearing lectures on a variety of subjects, and participating in various activities.

The camp was held at the University of Illinois, and was conducted by the faculty of that institution. The course of study was designed to give the boys a thorough grounding in the various branches of science, and to enable them to take their places in the world as intelligent and useful citizens.

Volunteers to Face Camera

The Egyptian student when the dean of the college was last in the city, took his camera and made a series of photographs of the students. Very satisfactory results were obtained, and the dean was pleased with them.

The photographs were taken in the summer, and were intended for use in the present course of study. They are so excellent that it seems very desirable that they should be preserved for future use.

COLOR MOVIES COMING

SAYS PROFESSOR FREELAND

Our present day black and white movies will be entirely replaced by improved colored ones next year. A professor at the Institute, Professor E. J. Flinn, in a recent lecture, said that colored movies will be as popular as black and white pictures.

Firemen Inadequate

Two companies of Cambridge firemen were inadequate in a recent fire, and the firemen were called to the scene. The companies were inadequate in their work, and the firemen were called to the scene to assist them.

A telephone operator informed the firemen that a serious fire had broken out in a building on the south side of the city. The firemen, after rushing to the scene, found that a serious fire had broken out in a building on the east side of the city. They were called to the scene to assist the firemen, and they arrived at the scene in a short time.

FIREMEN INADEQUATE

Two companies of Cambridge firemen were inadequate in a recent fire, and the firemen were called to the scene. The companies were inadequate in their work, and the firemen were called to the scene to assist them.

A telephone operator informed the firemen that a serious fire had broken out in a building on the south side of the city. The firemen, after rushing to the scene, found that a serious fire had broken out in a building on the east side of the city. They were called to the scene to assist the firemen, and they arrived at the scene in a short time.

CONCLUSION

The firemen were inadequate in their work, and the firemen were called to the scene to assist them. The companies were inadequate in their work, and the firemen were called to the scene to assist them.

The firemen were inadequate in their work, and the firemen were called to the scene to assist them. The companies were inadequate in their work, and the firemen were called to the scene to assist them.
