WRIGHT'S

After Every Meal

SHAVING cream cups have an unhappy habit of
churning with gravity. That's why the Williams' 10c Cup
has been shown to a hundred thousand men and
persuade it to roll down a drain pipe. It refuses to go near
the bathtub floor. In brief, it defies all previous laws
governing the behavior of shaving cream caps.

William's Shaving Cream, in the same way, upsets
all traditions about shaving. First of all, it excels every
known speed limit for ointing the beard. You can get your
face ready for shaving in less time with Williams' than with any shaving cream you ever used.

In the second place, Williams' has a positive effect for
the face, with the wholesome care which Williams' imparts in better condition and more

Tell your physics prof. that this cap defies gravity
