INDIVIDUALISM OF YOUTH IN EUROPE

By John Rothschild

In Carpathoslovakia, the Pomeranians and the Czechs have a few thousand people who have been educated in the university. The reason for this is that they have a university of their own, which is characteristic of the Youth Movement. The University Movement has been in existence for several years, and it is the direct result of the Youth Movement. The University Movement has been in existence for several years, and it is the direct result of the Youth Movement. The University Movement has been in existence for several years, and it is the direct result of the Youth Movement.
