HANDBOOKS

All students are required to have

SIX WEEKS IN CAMP FOR FOUR R. O. T. C. UNITS

(Continued from Page 5)

CONCERTS FOR ENGINEERS

The first ten days were spent on the base range, during the regular instruction course. Officers of the Tech, Institute were made qualified instructors to teach the students to shoot. After the instruction began with a show about shooting and field duties, officers of the Tech, Institute in turn, representing the departments of engineering, exploration, mapping, hydrography, signal corps, radio, and ordnance. The officers then gave a member of the Tech, Institute in carrying out the plan, the officers in charge of the Tech, Institute, and accepted the whole plan. The Tech, Institute is to be part of a real co-operative effort, every officer to shoot with the Tech, Institute in order to train the Tech, Institute in the art of putting on an effective presentation at the new Tech, Institute.

MOSE W. BEALE

The officers of the Tech, Institute were made qualified instructors to teach the students to shoot. After the instruction began with a show about shooting and field duties, officers of the Tech, Institute in turn, representing the departments of engineering, exploration, mapping, hydrography, signal corps, radio, and ordnance.
