SECOND MEETING OF JOURNALISTS THIS AFTERNOON

Freshmen Taking Course to Be Exempted From 5 Weeks Work in EH11

Phillips Explains Relativity

Professor R. B. Phillips, will lower his course on the theory of relativity (the opening lecture of the fall semester) in EH11 this afternoon. The lecture will be based on the opening chapter of the late Prof. Albert Einstein’s book, “The Theory of Relativity” published by the Macmillan Company. The department will be closed to the public.

TECH GETS NEW MACHINES

A method of new machines has been devised for the use of the journalists and the society will be in charge of the new machines. This method of new machines is the result of a long and careful study of the system of the present machine and will be a definite improvement over the present system. The new machine will be located in the basement of the old machine and will be in charge of the society.

CHEMICALS TO HEAR DR. F. J. MOORE WEDNESDAY

Dr. F. J. Moore of the Organic Chemistry Department will be the speaker at the next meeting of the Chemical Society. The meeting will be held in the basement of the Hall of Science on Wednesday, November 7, at 7:30 p.m. The meeting will be open to the public and will be in charge of the society.
