TO MOBILIZE CREW RESOURCES

From The
SPORTS DESK

Coxswain Haines has already looked over the equipment at the boathouse. A review was made of the crew's needs, including the equipment for eight-oared events. Instructions on the basic repair and maintenance of the equipment have been given to the older members of the crew, and they will be expected to maintain the equipment in good working order.

"Bill" Haines is an expert on building shells as well as a crew coach. Under his direction, the crew should have all the equipment at their leisure in A-condition.
