The truth about civil engineering

(Continued from Page 2)

nature to the man of toil. That is
prey to broad defining and does not
bother the minute upon the tiny rivet of the
engineer. Another and less dis

iting is the general education of the
engineer. It is not enough to
satisfy one's food cry do for two. But that
delicacy, nor the aesthetic, nor the
desires. It will help to be

THAT BEAUTIFUL DIAMOND ENGAGEMENT RING

Fink blue white, perfectly-cut and very brilliant, in expensive settings only.

Mail Orders Taken. Money returned if not entirely satisfactory.
