NORTHEASTERN BOWS TO TECH IN FIRST GAME

Pre-season hot through rugged basket- ball, the varsity scored their first victory of the season Saturday afternoon, with a 41-36 decision over the Tech basketball team. The game, played in the hangar gym, Northeastern scored the first 10 points of the game and never relinquished the lead. Wayne Russell, the All-American guard, was the outstanding player for the Huskies, scoring 11 points. The game itself was a defensive struggle, with the score tied at 8 and 10 after the first quarter. Northeastern led 19-15 at the half, and Russell scored all 11 of his points in the second half to lead the Huskies to victory.

ARMED ROBBER HOLDS UP THE WALTON LUNCH

At 2:45 o'clock on Thursday, a man carrying a gun, entered the dining room of the Walton Lunch, located on Main Street, and ordered a lunch. The man then boarded his car, a black sedan, and drove away.

PREPARE TO BUY TWO PARCELS OF CAMBRIDGE LAND

MURAL SHOWN AT ALUMNI DINNER HELD SATURDAY

Appalooza Greets First Showing of Symbolic Painting by Blodgett

CARLSON TELLS PLANS FOR MORE DECORATION

Complimentary Remarks About Institution by New Hampshire Senator

Before an audience of nearly 600 guests the grand mural painting of the national capital, to be hung in the main foyer of the new Central Building, was unveiled Saturday evening at a dinner given in the Alumni Auditorium. The painting was presented to the university by an anonymous donor. It is the largest mural painting ever to grace the interior of a building in the city of Cambridge.

High Spots in Alumni Banquet Speeches

G. L. Gilmore '90

"All that the alumni have been called upon to do in past years is to stand by the side of the institution and to work constantly for its good." he said. "We have worked hard and we have been successful, but there is still more to be done. The institution is strong and has a bright future ahead of it." he continued. "I am honored to have been asked to speak tonight and I thank you all for your warm welcome." he concluded.

President Storrow

"One of the jobs of the Alumni is representing the Institute as a prospective school to future students. "Storrow said. "Scholarships are one of the best means of publicity we can have."

"We need to work harder to get more students to attend. This is our greatest challenge ahead of us."

"I believe there is no better school in the country than our own."

Junior Senator

"First I want to extend to you my congratulations that the Massachusetts Institute of Technology has received the recognition of the National Geographic Society for its excellent team in soccer."

"The Institute has shown us in the past what great teams can do."

"It is a great day for us all."

Senater Moses

"Congress is the hub of all our activities and the Institute has been one of the outstanding schools in the country."

"It is a great honor to have been asked to speak tonight."

"I am glad to have been able to be here and I thank you all for your warm welcome." he concluded.

CLUBS WILL PLAY AT THE SOMERSET

The Winter Season Begins Within Three Weeks—To Appear At Simmons

The return from their annual trip to the East Coast, the Cambridges, are en route back to the city. They are all looking forward to the winter season. The Cambridges are the outstanding club of the winter season. They are expected to have a fine season, and are likely to win the championship of the league.

SOPHOMORES TAKE VOCABULARY TEST

Examination Prepared by Prof. Alexander Ingalls of Harvard

The English Vocabulary Test was given to the seniors of the Sophomore Class at Western Normal School last Saturday. The test was prepared by Prof. Alexander Ingalls of Harvard University. The purpose of the test is to determine the extent of the vocabulary of the students in the system at Western Normal School. A large number of students took the test, and it is expected that the results will be published in the near future.

PREVENTION OF FIRE SUBJECT OF LECTURE

The record of the successful lecture series of the Warren County Fire Association was given by its president, Mr. F. H. Willetts. He stated that the series has been a great success, and that the lectures have been well attended. He thanked the members of the association for their hard work, and expressed his hope that the series will continue to be successful in the future.
