Close Relay Causes Thrill—Breast Stroke Yale's By Margins

Sunday evening the Yale swimming team defeated the Technology team in the Thomas T. Yoton, T. C. M., pool, winning by a score of 27-19.  

It was expected the Yale swimmers would win and were draws at 30 yards, the final score being 27-19.  

The first fly event was a breast stroke in which every swimmer was on time.  

Captain Dave E'varis took honors.  

A relay foursome had a memorable outing when Yale's almost uncreated and untrained team, the Red, the Blue, Red and Blue, took a first place in the breast stroke event.  

Captain Dave E'varis won honors.  

The last event was the 100-yard freestyle.  

Aerobatic and Clark made no false starts, both teams finishing the event.  

The first place was won by Aerobatic.  

The score of Yale in this event was 27-19.

Engineers Lose to Vermont Quintet

Good Passing Features Game in Which Opponents Are Limited to 11 Points

Thursday evening in the Hangar Gym the varsity basketball team was defeated by Vermont 22-11.  

The game was distinguished as good passing and defense by both teams.  

In the opening quarter the Vermonters worked a reasonably good game in which individual work was emphasized by the Vermonters.  

Their game was perhaps a little slower and more methodical than that of the Dynamo Engineers.  

While the players were on the floor the Vermont team showed a decided advantage over the Dynamo Engineers, showing the extreme advantage.  

All of the Dynamo Engineers were in this game.  

The game was followed by a match between the Vermont team and the Dynamo Engineers.  

The Vermonters had the upper hand throughout the game.  

The score of the Vermont team was 22-11, which was the second highest of any of the scores for the first match of the season.

Beavers Lose First Match in New England

The Technical college team won its first match of the New England league by losing to Tufts Tuesday night by a score of 11-9.  

In a furious struggle with a well organized Tufts club, the Engineers defeated the Engineers of 11.  

The game started slowly with many wide shots executed by both teams.  

The Engineers did their best to put up a good showing against the Wolverines in the second game and were slightly ahead before the turn of the first half.
