WINTER TRACK TEAM HAD
VARIETY OF EXPERIENCES

Dame Fortune Worked For and Against Engineers Durins, Winter Season

The Varsity Track Team, hampered by injuries, has faced a tough season this year, but still managed to compete in the meet at Princeton. The team has been training hard and has had many opportunities to compete. In the meet against Harvard, the team showed improvement in the relay races.

MODELS DOLL FOR MODERN RUGS

The Madison A. & F. Rug Company exhibited a rival relay race with Princeton as the next meet for the team. Captain Fred Glantzberg, a member of the relay team, was injured in the preliminaries and will not be able to compete in the final meet.

GIFT SYDROME IN THE Mixer

In the C. A. A. A. meet at New York, the Beaver trackmen made a good showing although they placed low in the final heat. The team showed improvement in the preliminary races.

FINISH PACE Ties

The track team had a variety of races which included individual events and relay races. The team showed improvement in their running times and overall performance.

ENGINEERS AND SIGNAL ENGR.

The team had a good showing in the preliminary races, but was hampered by injuries in the final heat. The team will continue to train hard and improve their performance in the final meet.

COOP SUSTAINS ANNUAL ROBBERY IN VACATION

Rogers Caught Before

Lost valued at $2000 was recovered by the Coop after 20,000 yearly votes were cast in the annual Coop meeting. The plunder consisted mainly of suits and spring coats, flannels, sweatshirts, and baseball caps. Although the store has been robbed twice other times the Coop has never been so successful. In the past the Coop has been forced to give a "sweat out" and not by an organized force.
