McCOY GETS TWO FIRSTS
Unexpected Victoria Fall in Technology Bars and Rope-Climb

Before quite a crowd in the Walker gymnasium, the Beaver gymnasts beat the Black and Orange team on their debut in the form of the first and second place in the event.

The evening started off with some point interest on the bottom line, in which there was no doubt that Captain Ewing and his men were going to have a good time. The program was well
prepared and the team was in top form. The
assistance was hearty and the event was a success.

The second event was the second place in the

FLIP OF COIN BY PROFESSOR SHOWS FATE OF ClasseS
Lock Favors Class in American Literature in Struggle For Instructor

When Professor R. E. Boggs of the English Department is sent to the Massey Institute for his second year's work, he will be replaced by Professor E. H. Fisher who has been appointed by the Department to replace him.

Boggs was told that he would have to make his decision on whether or not he would continue in the English Department, but he has decided to accept the position.

Professor Fisher will take over the teaching of American Literature, a subject in which he is well versed, and will be responsible for the instruction of the students in this field.

This change is expected to be beneficial to the students, as Fisher is known for his ability to convey the subject matter in an interesting and engaging manner.

DISCUSS RECREATION ROOM FOR DORMITORIES

The Dormitory Committee will have a meeting in Room 303 tomorrow afternoon for the purpose of discussing a new recreation room suggested by the Dormitory Board.

On account of the fact that Ware is more central to the new group of dormitories, and that it is a more convenient and comfortable location for the students, the committee has decided to recommend the construction of a new recreation room in Ware.

The committee is working on plans for the new room, which will include a lounge area, a study area, and a kitchenette for the students to use.

VOO DOO WILL APPEAR ON STANDS TOMORROW

Tomorrow Throolab will appear in a special issue of Voo Doos and Throolabs, published by the Student Council. The issue will be released on Friday, March 27, and will be available for purchase at the Student Council office.

The new issue will include a variety of articles, including a report on the recent Throolab meeting, a feature on the Throolab community, and a special section on Voo Doos.

Physiological Training Deemed
To Five Weeks Labor in Gymnasium

Four periods of work at hard labor have been prescribed for the punishment of a group of about 40 freshmen who were found guilty of physical abuse during the recent Throolab wrestling match.

The punishment will consist of five weeks' work in the gymnasium, with each student being required to work for a minimum of six hours per week.

The freshmen are not the only victims of the rules for the Throolab, several students among the seniors, have also been disciplined for similar offenses.
