Don't give a cap
"too much rope"

Just when you're hurrying the most—zip and away goes that shaving cream cap. The new cap on Williams ends the nuisance forever. It's hinged on and can't get lost.

In shaving, too, Williams has just an noticeable improvement. Williams lather is heavier and more closely emulsified. It holds the water against the beard. Result, quicker softening. Williams' after-shave lubricates—no tri- ing friction. Lather, Williams is deliciously balanced to the skin. It keeps your face comfortable no matter how hairy your beard and how tender your skin. There's no coloring matter in Williams—it is a natural white, absolutely pure. Say "Williams Shave-Cap" to your dealer.
