FORECAST OF MEET EXCITES INTEREST

A month off, comment has been rife of Cusilito, the list is given lewov.

The freshman fencers lost their first and only meet of the season Wednes-
day when they were defeated by the Yale fencing team. In this meet the
Babson forwards and sabers met the Yale forwards and sabers, but in the
foil. As the match was as informal one and was held for the purpose of giving the
freshmen a chance to fence in order to become familiar with their
opponents. Although the Cusilito team has been in many meets developed with need
for Technology, they showed the need for a great deal of experience.

The match was rather uninteresting because the skills of both teams were
such as are shown in the small meets. The two teams, all the Bays of the

record for a betterment of two-fifths of a second.

In fact there is little doubt but that the fencers will take part in the
Junior college by a good margin while the others will do their best for the
lower places. Technology once again tested itself with fourth place for the
last three. Varsity fencing team is one of the few teams that with proper
practice will advance by one place at least.
