Spring Swimming progresses well.

Large Number of Men Out For Spring Swim Practice.
In Boston Y.M.C.A.

Swimming practice is being held daily at the Boston Y.M.C.A. All of the past season's Y.M.C.A. swimmers are back and are joined by a large number of high school boys. The exception of Ford. Texas, and Cornell is accounted for by the fact that these clubs have already had a large number of men, who made the 20 yard dash with ease, and so were put in the regular training groups. 

This year's Y.M.C.A. swimming team will be a strong one, as the men who took part in last year's team and have been attending practice with regularity, are preparing for the highest possible achievement in the season, with the exception of Ford. Texas, and Cornell is accounted for by the fact that these clubs have already had a large number of men, who made the 20 yard dash with ease, and so were put in the regular training groups.
