BE YOURSELF

We have all been hearing a lot of knockers, recently, directed at the smooth, well-dressed social lion. You know the sort of thing—hours about them. People say that their dressing is too tricky; their conversation is boring, but seems to go well with those around them. They are too calculating; they absolutely disregard all of the characteristics of a man. Have you ever noticed, though, that those who are loud in their condemnation are those who are very much afraid of things? They have good reason to be afraid; but if you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything. If you are afraid of things, you will never dare to do anything.
