FRESHMAN DEFEAT NORTHEASTERN 27 BY LARGE SCORE

Glazebrook and Weiby Hang Up Three New Records in First Contest

Mercer Wins 464 In 54.2

Taking right out at 13 first places, and running away in the pole vault, the freshman track team scored 27 points in the opening meet of the season Saturday afternoon at French Field, Cornell. Weiby was a three, never giving a chance to the Engineers in the scoring with 16 points, while Glazebrook and Funk contributed one each.

Although the freshman track team may have excelled the Engineers in points scored, their conditioning was far from perfect. Weiby, taking first place in the pole vault, said he could have broken the record, but had altered his technique the preceding week. The absence of many of Cornell's veteran track men left the Engineers missing their usual leadership.

FUNK LEADS THE ENGINEERS

Glazebrook, a junior, said his good showing in the long jump was due to the fact that he had never had any over 30 feet. He thought his best effort would be something over 40 feet. Funk, leading the Engineers in the scoring with 220 points, said his best effort in the pole vault was 13 feet. The Engineering team is due to be pitted against the Harvard track men next week.

WEIBY MAKES NEW MARK

Weiby, making new marks, won the 110-yard dash in 13.2, the 220-yard dash in 23.0, and the high jump with a leaping from 5 feet 10 inches to 6 feet. Scarritt took the mile in 4:50.4, breaking the Cornell record and setting a new intercollegiate record. The 880-yard dash was run by Scarritt, who finished in 2:01.8. The mile medley was won by the freshman four, with a time of 4:06.4. Glazebrook, taking first place in the hammer, said he could have thrown 142 feet, while Schubert led the Engineers in the scoring with 11 points.

BEAVER CREW

Kimball won for the timers in fine style, winning all four races.

This was rather a disappointing season for the freshman boat, as the Wolf had her practice course of 2 1/2 miles shortened by the wind and weather. The Wolf had her practice course of 2 1/2 miles shortened by the wind.

BEAVER CREW

Kimball won for the timers in fine style, winning all four races. The first boat made them forge ahead at the start, followed by the second boat, and then the third boat. After the first half mile, the first boat, second, and third were a length apart, while the fourth boat was a length behind the third. The first boat made them forge ahead at the finish, while the second boat was a length behind the third.
