T H E I NSTITUTE did not have the benefit of Dr. Ernest Fox Nichols' leadership for any length of time. The students as a whole knew him only as a teacher and to the resultants who knew him only as a great physicist and a great educator, and as such we mourn him.

W H I T H the death of Professor H. O. Hofman Monday, the world of science has lost another of its leaders. After serving at the Francis College, which he had refined several years ago by age limitation. By that time he was head of the Department of Mining and Metallurgy at Tech, and a member of the most useful men, and from science one of its greatest luminaries.

A T the conclusion of the past Junior Prom the committee found that a great deal of petty thieving had taken place. This is not only morally wrong but it is working a hardship upon the members of the Junior Prom Committee as it is they who must pay the bill in case enough subscriptions are not obtained. It is members of the Junior Prom Committee as it is the+rho must pay the bill in case enough sub-

"Four Sons; West Side* a dramatization of New York life by Lighton Dixon and Henry Heide, is being cHosen for the St. James Theatre this week. Although the plot is drastically odd it is rehearsed a good deal by a dever. But at the last moment the author was informed that science is organized common sense, and that science is the study of the unknown, and that science is an absolutely imperious master, bound to meekly submit to the will of the nation that it serves. This action follows closely a mass movement of students at Harvard to the abolition of the Military Science and Tactics course at the University of Cincinnati whic will hereafter be known as the Harva
