**Second Term Winners of Booth Prizes Named**

Three Awards of Twenty-Five Dollars Made For Themes

The Booth Prizes for excellence in the Sophomore English and History Courses for the spring quarter of 1927 have been awarded. The winner of the Chauvelle Prizes for the best paper in English was H. R. Chandley, for his paper, "The Influence of the American Revolution on the French.

C. A. Bianchi, for his "The Doee of the New Poetry"; and James A. Young, for his "Gustave Eiffel, Engineer," have been chosen as joint winners of the February "A" Prizes. The Editorial Staff of the Boston Transcript.

**Start Forming of Silver Bay Group**

Dinner Given by T.C.A. Starts Drive for Delegates to Conference

Members of the Technology delegations to the upcoming conferences will be in the north hall Wednesday afternoon from 8:00 to 10:00. So if you have not yet decided whether you will attend, this is the day to do it. The north hall also will provide a meeting place for those who wish to discuss the problem of international problems or any other problems which will be discussed at the conferences.

The Silver Bay Conference is an annual conference which is held at the beginning of the summer term. The conference is concerned with the future of the world and the relationship of the United States to it. The conference is an opportunity for students to express their ideas and to learn about the problems of the world.

**Mike Riddle**

The new adopted publicity manager, Brown, served on the banquets committee last year and has been a member of Tech Show since 1926. He has been in the publicity department for several years and is a good friend of the Tech Show. He has been a member of Tech Show for several years and is a good friend of the Tech Show. He has also been involved in other student organizations, such as the Beaver Club and the Walker Club.

The conference will last from June 1 to June 5. The conference will be held in the north hall from 8:00 to 10:00. So if you have not yet decided whether you will attend, this is the day to do it. The north hall also will provide a meeting place for those who wish to discuss the problem of international problems or any other problems which will be discussed at the conferences.
