Fire Breaks Out In Chemical Laboratory

A spectacular fire took place in the Industrial Chemistry Laboratory room 2408, Monday evening. During the process of distilling petroleum, the material became heated and flames shot up to the ceiling. Major Smith saw the fire, and rushed to get the Institute telephone, believing that the appearance could take from k's quarters the men in the laboratory had the fire extinguished. Owing to the fact that this is an only inflexible abundance in the laboratory, it was discovered that valuable damage was done.

FORMER WORLD'S CHAMPION IN THE MILE RUN TO COME TO TECHNOLOGY THIS FALL

WILL WORK WITH COACH CONNOR DEVELOPING TEAM

Announcement Made at Advisory Council Meeting Held Last Night

CREW MAY RACE HARVARD

Oscar Hedlund, former world's champion in the mile, a member of the 1912 American Olympic team, has been selected to coach the track team at Boston University.

President Conner stated last night that he was able to secure the services of Mr. Hedlund.

Fredra Farmer

Hedlund started on his career as a champion in a small way when in 1911 when he ran the mile in the New England Amateur Track League in 4 minutes 26 seconds.

In 1912 he placed second in the same event in the National Amateur Track League.

In 1913 he won the mile in 4 minutes 18 1/2 seconds.

In 1892 Hedlund won the Eastern Gold Cup in the mile, this year being the world's record.

At the time of this writing he has not decided to which of the contests he will devote his efforts, whether to the mile or to the quarter mile.

The world record in the mile stands at 4 minutes 14 1/4 seconds, and the world's record for the quarter mile at 1 minute 56.5 seconds.

Mr. Hedlund will be an addition to the track team here, and will put his best efforts into the development of the track squad, under the direction of Coach Connor.
